Loudmouth Louis:

Loudmouth Louis [read by Stephen Thorne]. Anne Fine, 2001 **Loudmouth Louis** Anne Fine, 2005 *Pool* Ajay Sahgal, 1995 Ajay Sahgal's startling debut novel is as conceptually tight and brutally realized an indictment of the culture of Hollywood as we've had in years. Sahgal borrows from the world he satirizes to make *Pool* part novel part screenplay and wickedly despairingly funny. Think *Day of the Locust* for Generation X. Emery Roberts is a GQ coverboy and twentysomething movie star who has just walked off the set of a 40 million picture mega producer Monty Factor's new buddy cop thriller *Sun City*. Via MGM Grand Air Emery flees to the lush hills of Vermont to join a group of self-exiled Hollywood refugees who have taken up residence in an old farmhouse. But his flight is futile. Factor soon mounts a nationwide search to recover his missing property and in a local bar young townie girls fawn abjectly. Back at the farmhouse the faces are all too familiar: his producer's beautiful alcoholic daughter, a recently fired CIA agent, and a USC film student who is there to document Emery's breakdown. As if nature itself has gone awry, the nearby lake is infested with snapping turtles moving one outraged casualty of the industry to begin constructing that essential Hollywood real estate accessory: a backyard pool. Larger than life on the screen, in person Emery is a void. And yet as the novel progresses from one hilariously cruel scene to the next, we see that this isn't simply a pose but the only way he can protect himself from the valueless landscape and the emptiness of celebrity.

LIAISON Joyce Wadler, 2011-08-24 Tragic, operatic, touching, and hilarious *Liaison* is about romantic love in its purest, craziest form. Proof anew that the greatest erogenous zone is the mind. Shana Alexander. The true story that inspired David Hwang's play *M. Butterfly* about a French diplomat, Bernard Boursicot, posted to Peking who fell in love with a seductive opera singer named Shi Pei Pu, apparently unaware that Pei Pu was a man. Their liaison produced a son and led them into espionage and finally to gaol in France. Joyce Wadler spent four years researching the story and finally persuaded Boursicot to break his silence and explain his side of the story. NOTE: This edition does not include photos. *X-VENTURE DINOSAUR KINGDOM II J02: RISE OF THE APEMAN* Air Team, Forward No matter what we face. So near and yet so far. Tailing the time hopping Professor Da Vinci into the Quarternary Period, our band of battling boys barrel on collecting clues, tracking tracks, and seeking solutions to their temporal tourist troubles. Haunted by the heroic demise of their Bushman buddy Jake Louis, and Tazens' trauma leads to our terrific trio enlisting the aid of the elite X Guard cadre as they venture forward back in time to the beginning of mankind. **Get Real!** Mike Walker, 2008-04 A riveting expose of reality TV that reveals for the first time why it has exploded into a phenomenon that dominates network television by 1 New York Times best-selling author and National Enquirer legend Mike Walker. The real lowdown on all the heroes and villains of the genre from Richard Hatch to Simon Cowell to Paris Hilton. Exploring Children's Literature Nikki Gamble, 2013-06-30 This book introduces the role of children's literature in promoting reading for pleasure and creating lifelong readers. Focusing on a range of fiction relevant to the National Curriculum, it covers genres such as poetry, non-fiction, traditional stories, and picture books. Concepts and

terminology are explained through a wide range of examples This revised edition includes Investigative activities and practical exercises for personal or classroom use Examples from world literature and work in translation highlighting the range of diverse material available for teaching inspiration Coverage of social cultural and political reading practices to increase understanding of factors that influence children s reading experience Coverage of disability and equality issues to help inform teaching strategies that overcome barriers to learning This book is essential for students on PGCE BEd and BA Education courses and for teachers undertaking CPD in English literacy or children s literature It provides useful support material for language coordinators and literacy consultants and can be used to support distance learning as an aid to self study or as a course text

The Return of the Killer Cat Anne Fine,2009-05-07 Okay okay So slap my teensy little paws I messed up big time Tuffy can t wait for Ellie and the family to go away on holiday He and the gang plan to ignore the grumpy new cat sitter and run wild all night But could that furry bundle suddenly flying through the air put a stop to all the fun

Issues in English Teaching Jon Davison,John Moss,2002-09-11 Issues in English Teaching invites primary and secondary teachers of English to engage in debates about key issues in subject teaching The issues discussed include the increasingly centralised control of the curriculum assessment and pedagogy in the school teaching of English in England and Wales as a result of initiatives such as the National Literacy Strategy new technologies which are transforming pupils lived experience of literacy or literacies the accelerating globalisation of English and the independence of other versions of English from English Standard English A National Curriculum with a nationalist perspective on language literacy and literature cannot fully accommodate English what has become naturalised and normalised in English teaching and the educational and ideological reasons for this hierarchies that have been created in the curriculum and pedagogy identifying who and what has been given low status excluded or marginalised in the development of the current model of English Issues in English Teaching will stimulate student teachers NQTs language and literacy co ordinators classroom English teachers and aspiring or practising Heads of English to reflect on the identity or the subject the principles and policies which have determined practice and those which should influence future practice
