Interracial Lovers in Revolutionary China D. E. Mungello,2023-07-14 In the twentieth century China underwent a monumental dynastic change and was transformed from an

outmoded monarchy into a modern communist state This century of revolutionary change was marked by political upheaval and social chaos It was a period in which Chinese began to go abroad to study and conduct business while foreigners came to China for economic opportunity and adventure In the process Chinese and foreigners began to meet and form romantic relationships These love affairs fengliu yunshi are notable because they coincided with the last phase of Western imperialism including its lingering racial prejudices and even laws against interracial sexual relationships Conversely in China there were periodic outbreaks of hostility and violence against foreigners This book explores the interracial relationships of twenty two people who transcended these obstacles to cross color lines and fall in love Love's Story Ajit Sripad Rao Nalkur,2012-11

Love s Story the final volume of Ajit Sripad Rao Nalkur s trilogy on love highlights his vision and realisation of true love on Earth The poems in this volume were written over a period of twenty years while Nalkur was living and working in Australia and the United States and after he returned to his birth country India This volume is divided into three parts The Vision contains poems he began to write in Australia in the early 1990s and takes a narrative form with much of the work appearing in prose It offers the poet s visionary experience of love Part two entitled Love on Earth addresses the realisation and actualisation of that love The third and final part of the book Poet s Corner contains verse on the art of poetry Love s Story explores true love in all its aspects and considers the realisation of a dream of such a love on Earth Forty Stories Donald

Barthelme,2005-01-25 William H Gass has written of Donald Barthelme that he has permanently enlarged our perception of the possibilities open to short fiction In Forty Stories the companion volume to Sixty Stories we encounter a dazzling array of subjects Paul Klee Goethe Captain Blood modern courtship marriage and divorce armadillos and other unique Barthelmean flights of fancy These pithy brilliantly acerbic pieces tangle with the ludicrous pose questions that remain unresolved and challenge familiar bits of language heretofore unexamined Forty Stories demonstrates Barthelme s unrivaled ability to surprise to stimulate and to explore For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Sex In The Western World** Jean-Louis Flandrin,S. Collins,2019-12-16

First Published in 1991 In this book the author looks at the history of sexuality discussing topics of love from the 15th century onwards sexual morality and marriage ancient and modern adages conernong procreation as a part of society and the sex lives of single people

Woman, the Actuality A.K. Pant,2010-11-19 Marriage is not a moral sexual debauchment consented by the society instead it describes an ethical limit of morality in sexual relations beyond which the sexual relations are considered to be illicit or adultery Marriage is a great attempt to keep the society free from sexual debauchment by assigning one man for one lady and one lady for one man Marriage is not a compulsion instead it is a confession done with mutual consent to live a

peaceful life devotedly with each other From the point of view of sexual relations marriage is a factor which distinguishes human from animals It is sacred tribute to ancestors It is an indication of family succession or genealogy Marriage is a ritual to provide social as well as legal acceptance to the child in the womb Marriage is an indication of the death of the parents in the form of coming generations as it assures the eternal truth that older one has to end to provide the life and opportunities to the incoming generations For men marriage is in fact performing the moral ritualistic and materialistic duties while for women this is mere the accomplishing of sanctifying rites and following the codes of conduct Marriage is not an agreement done on behalf of a legal contract instead it is a complete dedication free from compulsions Wherever forementioned feelings do not exist in the background of the objectives of marriage there marriage means mere accomplishment of sexual satisfaction and false ego and in this situation marriage is just like a contract which if done by a man with one lady or four ladies is mere sexual debauchment in the point of view of the morals and ethics **Talking Dirty** Carole

McKenzie,2014-01-02 Women should be obscene and not heard John Lennon The only unnatural act is that which you cannot perform Alfred Kinsey Fat people are brilliant in bed if I m sitting on top of you who s going to argue Jo Brand What most women want is not a man who ties you to the bed but one who unstacks the dishes while you watch The Great British Bake Off Harriet Harman Throughout the centuries talk of sex has proved irresistible producing wide ranging responses contradictory remarks denouncements and appraisals something seen as harmless by one is often condemned as damnable by another Whatever your sexual preferences Talking Dirty is a hugely entertaining treasury of wit on this endlessly entertaining and controversial topic **The Origins and Role of Same-Sex Relations in Human Societies** James

Neill,2011-10-17 This groundbreaking work draws on a vast range of research into human sexuality to demonstrate that homosexuality is not a phenomenon limited to a small minority of society but is an aspect of a complex sexual harmony that the human race inherited from its animal ancestors Through a survey of the patterns of sexual expression found among animals and among societies around the world and an examination of the functional role homosexual behavior has played among animal species and human societies alike the author arrives at some provocative conclusions that a homosexual or bisexual phase is a normal part of sexual development that same sex relations play an important balancing role in regulating human reproduction that many societies have institutionalized homosexual traditions in the past and that the harsh condemnation of homosexuality in Western society is a relatively recent phenomenon unique among world societies throughout history This well researched and meticulously documented book is the first that integrates into a coherent picture the startling revelations about human sexuality coming from the recent work of sexual researchers psychologists anthropologists and historians The view that emerges of an ambisexual human species whose complex sexual harmony is being thwarted by the imposition of an artificial understanding of nature represents a new way of thinking about sex
