James Fisher

Love And Anger Essays On Aids Activism And Politics:

Love and Anger Peter Franzblau Cohen, 1998 This is one of the first books to take an interdisciplinary approach to AIDS activism and politics by looking at the literary response to the disease class issues and the AIDS activist group ACT UP Containing both literary analysis and interviews with activists Love and Anger integrates fact and fiction in a scholarly yet comprehensible manner It will provide readers with a deeper understanding of AIDS activism the politics of AIDS and the attitudes and feelings of those affected by the disease

Love and Anger Peter F Cohen, 2014-01-14 Love and Anger Essays on AIDS Activism and Politics is one of the first books to take an interdisciplinary approach to AIDS activism and politics by looking at the literary response to the disease class issues and the AIDS activist group ACT UP Containing both literary analysis and interviews with activists Love and Anger will help you understand the unique struggle of a certain class of gay men why the author challenges the belief that ACT UP is a radical group and why the love story is a central part of the literary response to AIDS Examining ACT UP in relation to class issues Love and Anger discusses how for certain middle to upper middle class men in the group ACT UP represented a political response not to fundamental social inequalities but to the fact that their class position could not benefit them in the absence of an AIDS cure In addition you will gain insight into the political methods and goals of ACT UP through interviews with ACT UP members and find out why the group is sometimes misperceived as being radical too gay or not gay enough Different from many other recent works Love and Anger also combines literary analysis with fieldwork in order to examine the literary response to AIDS from historical and sociological contexts not just a literary context Drawing on the fields of anthropology sociology political science history and literary studies this text provides you with an original interpretation of a number of novels and plays including Afterlife a novel by Paul Monette and The Normal Heart a play by Larry Kramer both of which envision the return of the class privileges that certain gay men had before AIDS emerged People in Trouble a novel by Sarah Schulman which challenges gay men to stop striving for the privileges of straight males and instead to focus on an AIDS movement that will support all groups affected by the epidemic Angels in America a play by Tony Kushner which demonstrates the incompatibility of love and political struggle in literature about AIDS By examining AIDS activism and politics through the love story and through real life examples such as ACT UP Love and Anger integrates fact and fiction in a scholarly yet comprehensible manner It will give you a clearer understanding of the issues surrounding AIDS activism and politics as well as give you insight into the attitudes and feelings of those affected by the disease

AIDS-Trauma and Politics Aimee Pozorski, 2019-06-26 AIDS Trauma and Politics considers American literary representations of the social and political silence surrounding the AIDS crisis in the U S in the 1980s The book offers close readings of such authors as Paul Monette Mark Doty Rafael Campo Sarah Schulman Tony Kushner and Larry Kramer in order to argue that the AIDS crisis was born largely without a witness and as a result marks a significant trauma in U S history Grounded by trauma studies AIDS Trauma and Politics argues that the arts exemplified here

by literature and film uniquely underscore social problems otherwise overlooked by such discourses as politics the law and journalism Defining the 1980s AIDS crisis as a perfect case this book proposes to redefine trauma not simply as an event that happened too soon but rather as an ongoing series of oversights resulting in a failure to acknowledge or witness the humanity of those who suffer The Theater of Tony Kushner James Fisher,2013-09-05 The Theater of Tony Kushner is a comprehensive portrait of the life and work of one of America s most important contemporary playwrights **Global Justice and Desire** Nikita Dhawan,Antke Engel,Christoph H.E. Holzhey,Volker Woltersdorff,2015-05-15 Employing feminist queer and postcolonial perspectives Global Justice and Desire addresses economy as a key ingredient in the dynamic interplay between modes of subjectivity signification and governance Bringing together a range of international contributors the book proposes that both analyzing justice through the lens of desire and considering desire through the lens of justice are vital for exploring economic processes A variety of approaches for capturing the complex and dynamic interplay of justice and desire in socioeconomic processes are taken up But acknowledging a complexity of forces and relations of power domination and violence sometimes cohering and sometimes contradictory it is the relationship between hierarchical gender arrangements relations of exploitation and their colonial histories that is stressed Therefore queer feminist and postcolonial perspectives intersect as Global Justice and Desire explores their capacity to contribute to more just and more desirable economies Longtime Companions Alfred Lees,Ronald Nelson,2018-10-24 Longtime Companions Autobiographies of Gay Male Fidelity provides a sophisticated alternative to anything goes gay literature Challenging the stereotype that gay men are incapable of lasting and successful relationships 15 long term gay couples share slices of their own lives to give you insight into their present relationships while some discuss life after their mates have passed on You will find that their stories offer an inspirational and richly fulfilling alternative to an empty life of promiscuity that lacks true love Through a treasury of autobiographical essays Longtime Companions documents how committed gay male unions can be as enduring nurturing and diverse as heterosexual marriages and proves that loving commitments and life sharing are not exclusive to heterosexual unions A celebration of gay diversity this book offers you insights from contributors of different ages professions geographic locations and attitudes You will learn the intimate details of the couples lives including how they met their partners how soon they committed to each other how long the couples have been together from 14 years to over 50 years their keys to leading successful happy lives the ways in which their relationships fulfill their personal needs and contribute to community life You will come to realize the true strength of these men s relationships as you share in their struggles within a society that offers them little recognition or support for their successful relationships Co editor Alfred Lees explains in the introduction to Longtime Companions We ve all worked diligently to make our partnerships sound nurturing and enduring We ve done this without any social motivation largely without role models in the face of official disapproval or contempt We ve told our stories here to refute by the simple facts of our experience the grotesque misrepresentation of gays as being incapable of stable

committed relationships Will add more Through a treasury of autobiographical essays Longtime Companions documents how committed gay male unions can be as enduring nurturing and diverse as heterosexual marriages and proves that loving commitment and life sharing are not exclusive to heterosexual unions A celebration of gay diversity contributors vary in age profession geographic location and attitudes You will learn the intimate details of the couples lives including how they met their partners how soon they committed to each other how they managed to collaborate on successful fulfilling lives how some have maintained their commitment as part of an open relationship You will come to realize the true strength of these men s relationships as you share in their struggles within a society that offers them little recognition or support for their successful relationships Co Author Alfred Lees explains in the Introduction to Longtime Companions We ve all worked diligently to make our partnerships sound nurturing and enduring We ve done this without any social innovation largely without role models in the face of official disapproval or contempt We ve told our stories here to refute by the simple facts of our experience the grotesque misrepresentation of gays as being incapable of stable committed relationships

Lesbian Epiphanies Karol L Jensen, 2013-12-02 Exploring identity development and gender orientation Lesbian Epiphanies Women Coming Out in Later Life contains firsthand information about the experiences and difficulties of women who discover and reveal their newfound lesbian sexuality in later life Psychologists social workers counselors and professors will find that Lesbian Epiphanies is the first book to extensively quote from interviews of lesbians and bisexuals who had entered into heterosexual marriages From the analysis of these 24 interviews the psychological erotic and social processes of women who come out as lesbians or bisexuals after a heterosexual marriage are clearly explained so you can better assist your clients throughout this coming out process Discussing the personal and societal standards which clouded early self awareness for these women Lesbian Epiphanies lifts the veil of confusion to clearly illuminate the issues at hand to assist you in understanding and helping your clients From the case studies in this important book you will learn how some women came to realize their same gender attractions and the barriers they faced including negative attitudes toward lesbian women and the lack of strong role models Helpful and informative Lesbian Epiphanies explores the development of sexual identity in women in the United States today and provides you with essential information to help you improve your services to lesbian and bisexual clients by examining how the role of marriage in American culture stifles a woman s self awareness of her sexuality in order to help clients avoid the mistake of a heterosexual marriage before husbands and children are involved examining reasons behind the lack of valuable sexual information in America that limits a woman s general awareness of herself her body her sexuality and her life options understanding the challenges that lesbians and bisexuals experience when attempting to establish their true identities to assist your clients in overcoming these barriers suggesting support groups for clients who are having a difficult time becoming used to the ideas and feelings of some same gender attractions This insightful book knocks down the sociological and psychological barriers that keep women from realizing or acknowledging their real sexual

orientation by dispelling societal and cultural myths about what it means to be a woman in the United States Offering you invaluable advice on how to help clients effectively and happily live with their new identities Lesbian Epiphanies provides solutions to the challenges that women experience in establishing their other than heterosexual orientation in a heterosexist society

One of the Boys David Plummer, 2016-04-15 One of the Boys Masculinity Homophobia and Modern Manhood takes a fresh look at the formation of modern male sexual identities You will find that homophobia is not only widespread but that it takes diverse forms and has far reaching behavioral and social consequences The new concept of homophobic passage which is part of the development of all young men will enlighten you as to the proposed causes of homosexuality and heterosexuality One of the Boys will help you discover how the passage of young males from childhood to adulthood plays an important role in formation of the modern adult male self in gay and straight men As a result this knowledge will allow you to offer relevant services to clients who are struggling with societal stereotypes and identity issues From this informative book you will discover how homophobia plays a role in the increase in violence experienced by gay men and lesbians in our culture today To help you offer improved services One of the Boys discusses why homophobia is widespread takes diverse forms and has far reaching behavioral and social consequences by examining the school playground and its many effects on children s peer groups to discover how profoundly names like crybaby and poofter can impact a child s development learning that children often cannot escape harmful labels and stereotypes at home and realizing how it impacts a child s developing sense of self discovering the media s influence on role models and realizing the important role television and magazines play in providing information about homosexuality and homophobia realizing the heavy pressure homophobia exerts on men and how it shapes their relationships with women and other men how emotionally close they allow themselves to get to people how affectionate they are and with whom they have sexual relations Through One of the Boys you will gain valuable insight into the masculinity of the men interviewed and how it was shaped in order for you to develop a greater understanding of men and the many influences of society as a whole This unique study investigates the development of homophobia and the meanings and significances people associate with it to help you understand how and where homophobia originates in our society

The Mentor Jay Quinn, 2014-04-23 Examine a moving personal narrative about growing up gay in the south Students teachers and anyone interested in gay studies and experiences will find that The Mentor A Memoir of Friendship and Gay Identity a 2001 Lambda Literary Foundation Gay Male Biography Autobiography Award finalist delivers a captivating and honest look into the challenges of growing up gay through the context of firsthand experiences revelations and realizations This unique book is an intelligent and personal narrative that considers the social religious and emotional aspects of what it is like to grow up as a gay male in the south and examines the enormous social changes regarding homosexuality that have taken place in America during the last half of the century Written to reveal the importance of the author s mentor in helping him form his self identity and educating him about being gay this book challenges the

stereotypical idea that unlike heterosexuals gay men are not able to form nurturing fulfilling bonds between themselves The Mentor delivers an inspiring story about accepting and understanding your sexuality with the help and guidance of other men who have traveled the road to a successful gay identity This unique book offers the courage strength and support of a mentor to help guide you through the trials that many young gay men experience such as recognizing the possibilities of exploitation by older gay men due to a lack of emotional and social experience creating a loyal relationship with a man that does not include sex but which satisfies emotional needs that many gay men need and long for discovering the importance of a mentor to gay youths since there are few homosexual role models to learn from Sincere and well written The Mentor provides insight into everything from the author s experience with intolerance of homosexuality by certain religions to struggles with fidelity and infidelity illustrating the difficult yet universal challenges of life relationships The Mentor contains suggestions that will help you recognize that your feelings of desire and love and your quest for human connection as a gay man are not the distorted reflections of a heterosexual image but a healthy gay identity With this unique book you will discover how to make the shift from confusion to full acceptance of your gay identity you will understand that you are not alone and perhaps you will be encouraged to pass on the legacy of a mentor to other young gay men

Out of the Twilight

Andrew Gottlieb,2014-07-16 How would you react if your son told you he was gay Out of the Twilight Fathers of Gay Men Speak explores how fathers have dealt with discovering that their sons were gay and what effect it had on their own development as parents and people This revealing moving book will help you understand the difficulties and joys of a father gay son relationship Out of the Twilight draws from literary sources such as poems fairy tales plays novels and movies as well as psychoanalytic theories to highlight the obstacles that a father must overcome to understand and identify with his son In Out of the Twilight you will discover the personal and intimate struggles of these fathers including Mitchell whose son Jay came out at the age of twenty one and who describes the coming out process as a means of forging a closer father son relationship Juan Miguel who knew and accepted that his son was gay before his son told him and who discusses how his love and complete acceptance made the coming out process easier for his son Peter whose response to his son Richard was ordering him to live at home so the family could look for a cure for Richard s homosexuality Daniel who admitted that he himself was gay after being married and who was very accepting when his son Charles came out since it provided them with a special bond Marty whose response to his son Gary s coming out was to join P FLAG an organization for parents of gay and lesbian children so he could find support and acceptance among other parents who were going through the same thing Out of the Twilight allows you to see how fathers have struggled with the truth about their sons sexuality This book presents a unique opportunity to develop a greater awareness of and appreciation for father son similarities and differences and suggests that through time communication and love fathers can become comfortable with and respectful of their sons homosexuality
