Love And Control In Sexuality:

Love and Control in Sexuality William Norman Pittenger, 1974-01-01 **The Bond of Love: Catholic Teaching on Marriage & Sexual Ethics** Willem Jacobus Cardinal Eijk, 2025-09-10 Contemporary attitudes toward marriage family life and human sexuality have undergone profound changes since the mid twentieth century spurred by a host of social and cultural factors Large segments of the population in the West now hold views on marriage and sexual ethics that are very different from the values and norms taught by the Church Indeed Catholic teaching on the truth of marriage and human sexuality is open to strong criticism including among groups of Catholics and seems at best poorly understood In *The Bond of Love* Willem Jacobus Cardinal Eijk provides a comprehensive and unflinching account of the Church's teaching on marriage and sexual ethics dispelling misconceptions and elucidating its truth with grace and clarity As he demonstrates far from being a set of arbitrary rules that constrain human freedom this teaching is instead a deep wisdom for human flourishing anchored in the truth of God and man divinely revealed within Scripture Tradition and the Gospel Eijk first locates Catholic teaching on marriage and sexuality in relation to the currently dominant views in Western society He follows this with an exposition of the fundamental starting point of the Church's teaching on the nature of marriage and sexuality rooted in theological anthropology Next discussed is the virtue of chastity the integration of the sexual faculties into the personality and what it requires of both married and unmarried persons The volume concludes by addressing practices and circumstances that violate the essence of marriage This powerful witness to the truth and beauty of Catholic teaching on marriage and sexual ethics is a vital resource for pastors teachers and all of the Church's faithful striving to live in the love and communion that is grounded in Christ *Sex, Love, and Romance in the Mass Media* Mary-Lou Galician, 2013-11-05 Volume offers a critical examination of the portrayals of relationships in the various media and debunks the myths perpetuated there For courses in media criticism media literacy mass communication interpersonal communication [Love, Sex, & Marriage Volume 1](#) Barrington O. Burrell Ph.D, 2013-04-09 This is a valuable book on the topical subjects of love sex and marriage from a practical Christian perspective The author uses clear understandable language to point out the God given purpose of sex in marriage and some of the potential dangers of sexual abuse He explores the early beginnings of new born babies and their subsequent growth over the years to puberty and adolescence Teenagers are like strangers in a foreign country They are experiencing a difficult period of transition between childhood and adulthood At this crucial stage of their development young people have a keen interest in fashion music and sex Many are sexually active and some begin to think about marriage and family life although they often confuse love with lust and they are not mature enough to assume the responsibility of parenthood **Love and Sexuality in Social Theory** Emiliano Bevilacqua, Mariano Longo, Michael Hviid Jacobsen, 2024-11-27 *Love and Sexuality in Social Theory* considers the role that love and sexuality play in private and public life Drawing on both classical and contemporary social theory this book presents both theoretical and empirical studies of

love and sexuality as social factors from the earliest reconstructions of modern emotional life to the most recent analyses of liquid love With attention to the consequences that passions and desires have both on morals and behaviour it departs from the analysis of society in terms of the division of labour and utilitarian mechanisms to consider how a society based on performances values human energy and emotional behaviour in a contradictory way This book therefore presents and discusses classic authors from Georg Simmel and Pitirim Sorokin to Marianne Weber and Simone De Beauvoir through the work of Erving Goffman and ending with contemporary authors such as Michel Foucault Anthony Giddens Zygmunt Bauman Ulrich Beck and Eva Illouz By presenting love as the social foundation of altruism an essential element in modern conceptions of subjectivity and a force shaping intimacy and contemporary social life this book will appeal to scholars of sociology particularly those interested in social theory and the sociology of emotions **Burlesque, Yoga, Sex and Love**

The Real Facts Of Life Margaret Jackson,2005-08-04 During the last twenty years feminist research into the history of sexuality has made important contributions to the theoretical understanding of the relationship between sexuality and male power When sexology became established as a science feminists had for many years been engaged in a struggle to change male sexuality by waging campaigns against male sexual violence and abuse of women and children by challenging the institutions of marriage and prostitution and by asserting in theory and in practice the right to female sexual autonomy Despite the excellent research published in this important and fascinating aspect of feminist history there are still gaps in our knowledge The Real Facts of Life aims to fill these gaps Why and when did sexuality become an important political issue for the 19th century feminist What was the history of campaigns against double standards of sexual morality Why were feminists so divided in their views about sexual freedom and its relationship to women s emancipation The analysis of these issues illuminates past and present feminists ideas and theories about sexuality Margaret Jackson s main aims in The Real Facts of Life are to make a contribution towards understanding the history of the struggle for female
