In an Eastern Rose Garden Hazrat Inayat Khan, 2020-09-28 The Prophet has said God is beautiful and He loves beauty Now the word beautiful does not refer to the form of God God is formless He has no personality until He manifests Himself to Himself Therefore it is not His personality which is beautiful for God is beyond that which in the ordinary sense of the word is called personality What then is the source of God s beauty God is beautiful because He has created beauty If there were no beauty in God there could have been none in His manifestation If there were no beauty in the thought of the poet he could not write beautiful verse If there were no beauty in the thought of the artist he could never have painted the picture One cannot see the beauty in the heart of the painter except in the beauty of the picture he has made It is not only the picture which is beautiful the heart of the painter was beautiful first Consequently we become able to see the beauty not only in manifestation but also before it was manifested and before it was manifested it existed in love In other words we can see that the beauty was hidden in love beauty is hidden in love and the beauty that love has before it to love is its own beauty Therefore to whatever extent beauty is beautiful so is love beautiful even more so for the Creator is more beautiful than the thing He has created All things that we make are the work of our hands We are their creator and we are greater than our hands So it is with love Love is greater than beauty because love is the creator of the beauty that love loves in its life No doubt by loving love becomes limited limited as beauty but then that is the purpose of love If there were no beauty His love could not have realized the latent joy of its own nature The joy of its existence would die out As soon as we can think in this way we come to see that the lover is vaster incomparably vaster than the object he loves The real love the real beauty is in the lover The object that he loves is much smaller although for the moment the lover is not aware of the difference The lover thinks You are the object before which I bow You are the object of which I think day and night before which I am helpless You are the object that I admire that I adore Yet he does not realize

the vastness of his love and indeed strictly speaking love is vaster than the lover

Medieval Devotio-Literary Culture David J. questions the answer that I was given threw me for a loop The answer was so unexpected and out of my comfort zone that I spent many years wondering if I had heard the correct answer Our main purpose is to worship and glorify God God inspired me to glorify Him in this manner Inspirations is a book that started as a simple exercise in expressing thoughts not necessarily meant to be shared but as a vehicle to let new emotions and new ideals flow from my heart When I began this journey I was both new to poetry and a brand new Christian I had never had the desire to write nor had any idea how far the process of writing would take me It was several years of expression through writing and sharing with others before I realized I had the beginnings of a book Even then I had no concept of the height depth and width of this project or how far God could take me in such an uncomfortable and untenable position All forms of art are born out of some manner of inspiration This collection of poetry has had its share of unusual types of inspiration from cartoons and movies to other authors and people in my everyday life even situations in which I found myself that would show the glory and majesty of our Lord The subject matter of all these poems while most are individually inspired can be separated into two categories either confession or revelation There is truth within these pages truth about my life and I would be willing to guess at least some truth about your life as well My prayer is that the words within these pages would first serve to glorify God and second serve to inspire you to do something perhaps outside of your comfort zone so that you will rely on God s strength and knowledge Let us remain humble by getting out of our own way and letting Jesus shine through us **English Couplets** M.R. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him.
