Love Came Unexpectedly:

Love Came Unexpectedly Ruth Scofield, 2011-03-21 Nurse and former foster child Sunny Merrill was stunned when she inherited a fishing resort from the grandfather she'd never known. And there was a condition she must live there for one year. Which wouldn't be a hardship for Sunny especially not after she met handsome neighbor Grant Prentiss. The rancher and riding stable owner was always around to lend a helping hand and their relationship blossomed. Sunny even began dreaming about a future in which they could combine their properties and lives and build a getaway for foster children. But would their unexpected love be destroyed when Sunny discovered the secret Grant was keeping from her? HEIR Unexpected Love SilentJell, Brian William an heir of a million dollar business and a well known playboy in town had suffered a severe illness. Eager to find a cure he went to several renowned Doctors across the globe yet still everything didn't work. Someone had told him to approach a young Doctor specializing in traditional ways to cure several illnesses. He urgently sent his men to abduct the young Doctor. Their fate changed when his men mistakenly took the twin sister of the said Doctor, Diana, who was in shock while facing the handsome young man. She has no way out to escape, pretended to be his brother. With the tremendous amount of money he promised, Diana accepted the task but later on he discovered her real identity. He threatened her with the contract they've signed as his personal Doctor. They hated each other but the intense attraction pulled them together into a whirlwind relationship. He began to dote on her and promise to take her as his wife but his position as an heir has been in trials along the way. Would they still end up together? Does their fate change when things get worse? **All at once. Book two** Eugene Rakhmanov, 2025-10-15 Friends I present to you my second book of the trilogy *Everything at Once*. In it you will find stories for every taste: fantastic, ironic, funny, mystical, everyday, fairy tales, educational, and kind. Poems beautiful, life affirming about love, instructive. A play, light and humorous. I wish you a pleasant reading. The Mirror of the Eyes Millicent Morris - Lynch, 2017-12-04 *The Mirror of the Eyes* was inspired by various people whom I have encountered in my life journey. It is a melting pot of expressions and cultures that encourages the reader to find himself or herself on several pages. The choice in name for this book provides an escape to be gentle with oneself as you are allowed to take a glimpse of souls, minds, and hearts that come alive through different lenses. *The Mirror of the Eyes* provides the opportunity for the reader to make time to heal, to reflect, to rest in the fact that changes will come and that one should be prepared. It is divided into seven segments; each segment provides different types of poems for different emotions and times. *Colors from a Blink* exposes the cultural preferences. *The Soul in Black and White* reminds us of our sensitivity and sensibility. *Both Sides of the Lens* shows the struggle between the sexes and highlights the differences as they are. *Eyes of Grain* speaks to pain and disappointment. When comparing *Opaque Lens* to *Behind the Retina*, the reader is faced with spirituality and human weaknesses. *See Through* is flirtatious and gives the reader the opportunity to relax in vulnerability and laugh at oneself. *Flash Marriage: CEO's Wild Love* Feng QiuHuang, 2019-12-08 Despite all the betrayal as long as you have full confidence in your life, maybe someone
