Love Consciousness:

Love Consciousness Brian Toliver, 2014-05-05 There is a consciousness of the soul that God desires the believer to lay hold This consciousness is the soul of the God We are to think as God thinks What moves God should move us We are to express as God expresses His thoughts and feelings This is the life of God gave to the believer This books inspiration came from my experiences with God and the message that He gave to me God birthed in me this message in the streets of different cities God has given to me Love and understanding That Love and understanding has changed the lives of many people Many of which did not believe in God Receive the words written in this book and your life will change too This is what I believe Once you see God as he is His Love will affect you in some way The message reveals the intimacy of God and the content in Gods soul God s soul is His character and nature His substance His Life God s soul is what God is Love The soul of man God created in the image of His soul Therefore man s soul God created in the image of LOVE When the believer has this consciousness he is full with all the fullness of God

The Metaverse of Consciousness Shelli Renée Joye, 2025-05-20 Develops the concept of the metaverse the transcendental universe composed of additional hidden dimensions operating in parallel with space and time Integrates and maps the theories of consciousness developed by Carl Jung David Bohm Pierre Teilhard de Chardin and other scientists Offers the reader a path into the hidden dimensions through detailed maps of psyche mind and cosmos The metaverse as this wider universe is now coming to be known is rooted in one interconnected consciousness that encompasses space and time as well as previously unknown dimensions only recently detected In this book Shelli Ren e Joye Ph D offers ways in which to visualize enter and explore a multitude of these transcendent nonspatial and nontemporal states and stages of consciousness as she reveals vast webs of interlinked consciousness forming a single universal psyche Joye integrates the ideas of modern scientist philosophers who view reality as a projection of a single multidimensional consciousness Carl Jung and his concept of the psychoids Pierre Teilhard de Chardin and his vision of an integrated noosphere of consciousness and the quantum maps of consciousness developed by Karl Pribram and David Bohm The book culminates with a call to explore transcendental consciousness by developing and following our own uniquely personal paths with which we too can enter the wider dimensions of awareness in the metaverse
