Love Fugue:

Lovemaps John Money, 2012-02-29 The word lovemap was first used by Dr John Money in lectures at Johns Hopkins University in 1980 to symbolize the neutral template expressed in every individual's sexuorotic fantasies and practices. The word connotes our often subconscious pattern of erotic yearnings and desire. Each of us has a distinctive lovemap as different and individual as a fingerprint. In this book Dr Money outlines healthy lovemap development as well as lovemap pathology: lovemaps gone awry. Such pathology falls into three categories: hypophilia, sexual dysfunction such as impotence, hyperphilia, erotomania, and paraphilia, perversions. Paraphilia, another term coined by Money from the Latin para (away from) and philia (love), can range from those that are playful and harmless to those that are bizarre and deadly. Presenting case histories, *Lovemaps* describes the sexual practices of several patients and subsequent treatments of their paraphilias. Money pioneered the application of the hormone MPA or Depo Provera to treat repeat sex criminals. He believes he has proved that science can prevent paraphilic sex offending as is the case for other physiological diseases. *Lovemaps* and its stirring accounts of lovemap pathology in case histories, which are indexed under paraphilia, can be invaluable tools for those in the fields of sexology, child psychology, clinical psychology, criminology, and with its comprehensive glossary, the general reader in short anyone interested in human sexual development. **The Literary World**, 1888 **Prism** George C.

Chesbro, 2017-11-14 The author of the *Mongo Mysteries* reveals the interior life of a troubled writer in this deeply personal autobiographical novel. At the age of fifty-eight, author Garth Fugue is adrift. For the last forty years, he has poured his soul into twenty-three novels and countless short stories, all filled with murder and mayhem. By delving into the troubled minds of his characters, he has kept his own demons at bay. Now Garth is at a crossroads. Despite his floundering literary career, he is attempting to write his magnum opus while simultaneously teaching at a children's psychiatric hospital. As he decides what to write about, Garth must ultimately wrestle with his own beliefs about humanity, morality, and the meaning of it all. In this insightful novel, George C. Chesbro exposes a fictional writer's tortured mind and, in doing so, divulges the struggles of the real, complicated man best known for penning quirky mysteries and pulpy thrillers. It is an intimate invitation not to be missed.

The Secret Drama of Shakespeare's Sonnets Unfolded Gerald Massey, 1872 **Even Though We're Adults Vol. 6** Takako Shimura, 2023-06-13 It's finally time Ayano tells her parents that she has left Wataru and has fallen for someone else. And that someone is a woman. When the news breaks, Wataru finally gives up on trying to make things work, which means the wall between Ayano and Akari's love has now been knocked down. Meanwhile, Eri struggles with her feelings for a married man. Is there a way out of this labyrinth for anyone? **The Secret Spring** Frank Morton, 1919 **Another Love** Asma Abbas, 2018-10-15 In a time when our loves feel conscripted and exhausted by what we often do not remember desiring, *Another Love*, A Politics of the Unrequited, explores the form, method, imperatives, and inflections of love in the global post-colony and offers a way to re-apprehend and re-inscribe love in an anticolonial, materialist, and nonfascist politics and

aesthetics The figure of the unrequited is invoked as a symptom of a brutally loveless yet effusively sentimentalized era and also as an ineluctable yet very concrete political location in the face of both the intensifying external realities of war occupation apartheid austerity and terror as well as the increasingly normalized internalizations of ordinary imperialism nationalism neoliberalism fascism and colonialism all of which seem bent on extinguishing the possibility of relation itself The book asks that we look at practices of love and other material labors that yield and sustain these realities within complex lifeworlds indeed those which sustain entire systems of our subjection extraction and disposability such as colonialism capitalism liberalism and fascism as lifeworlds especially when given dominant forms of recognition affection embrace and belonging are unacceptable or even repulsive Distancing itself from shortcuts afforded by love's abstract forms deployed in ethical and moral discourses that at once elevate it yet wholly reduce it to a timeless apolitical essence Another Love sees love as a material and political relation to time and space signaling willed and unwilled shifts in historical reality in societies juggling various wars and annihilations It maintains that love is something in and with which we confess our complicities not only with but also against hegemonic notions of belonging devotion martyrdom hospitality publicity collectivity and solidarity nurtured and harvested under capital and colony The longing and the love missed by the pernicious and reactionary politics both of liberal democracy and the incidental fascisms that it claims to set out to fix can give us clues into past present and future moments of rebellion resistance rejection and redemption that are crucial to a liberatory anticolonial and antifascist politic and to rethinking attachment desire and relation itself
