Poetics of Love in the Arabic Novel Wen-chin Ouyang, 2012-06-20. Considers the Arabic novel within the triangle of the nation, state, modernity and tradition. Wen Chin Ouyang explores the development of the Arabic novel, especially the ways in which it engages with aesthetics, ethics and politics in a cross-cultural context and from a transnational perspective. Taking love and desire as the central tropes, the story of the Arabic novel is presented as a series of failed, illegitimate love affairs, all tainted by its suspicion of the legitimacy of the nation, modernity and tradition, and above all by its misgiving about its own propriety.

Love Has a Story Quina Aragon,2024-10-01 Love has a story It s bigger than you It s bigger than me It comes from old an overflow of the beautiful love shared between the Father whose heart bursts for the Son the Son who adores His Father all

wrapped in the glorious life giving love of the Spirit And this great Love knows and cherishes every secret and intimate detail of your story In fact this story is for you Author and poet Quina Aragon shares how before the foundations of the earth the great storyteller was penning a story that included you Love was thinking about you imagining ways to showcase His love for you and planning to rescue you Join Quina in entering the greatest love story ever told When you reach the end of this book you ll want to begin all over again And you ll want to share this great love story with your friends and family *Only a Love-story* Iza Duffus Hardy,1877 **The Book of Love** Kathleen McGowan,2009-03-10 Maureen Paschal thought she might rest and work on her book after discovering the gospel written by Mary Magdalene that revealed Jesus and Mary Magdalene were married The truth of their story rocked the world and made Maureen a target of those who did not like her discovery and a heroine to those who did Then Maureen receives a strange package containing what looks like an ancient letter written in Latin and signed with a symbol She discovers that its author is an extraordinary woman whom history has overlooked or covered up Countess Matilda of Tuscany and in the letter Matilda demands the return of her most precious books and documents Maureen soon finds herself in a race across Italy and France where hidden dangers await her and her lover B renger as they begin to realize that they are on the trail of another explosive discovery the Book of Love the Gospel written in Jesus own hand As Maureen learns more about Matilda an eleventhcentury warrior countess who was secretly married to a pope she begins to see the eerie connections between herself and Matilda connections she must trace to their source if she is to stop the wrong people from finding the Book of Love and hiding it forever Weaving together Matilda s little known true story and Maureen s thrilling search The Book of Love follows two amazing heroines as their stories intertwine through time Maureen is immersed in the mysteries of the labyrinth the beautiful poetry of the Song of Songs the world s greatest art and architecture and Matilda s amazing legacy until a potentially fatal encounter reveals the Book of Love to Maureen and to the reader **An Artist's Love Story** Oswald Greenway Knapp,1904 *A Love of Reading* Robert Adams,2011-01-14 Every year Robert Adams prepares a series of five reviews of contemporary novels to be delivered alone on a theatre stage to sold out audiences in Toronto and Montreal In A Love of Reading Adams has now gathered 18 of his most brilliant reviews from Jack Maggs by Peter Carey and The Poisonwood Bible by Barbara Kingsolver to A Fine Balance by Rohinton Mistry and Barney s Version by Mordecai Richler In them he skillfully interweaves a nimble and entertaining discussion of plot theme and characterization with fascinating historical biographical and literary context He is repeatedly drawn to the spectacle of less than perfect humans making their way in a hostile world and as a result a review by Robert Adams is almost always a hugely satisfying mix of rich pathos and abundant humour Famously Adams reads a book a day from which he selects only those novels that are truly extraordinary that have made him see some part of the world or some aspect of the human condition in a new light because for Adams the best books always take the reader on a journey with a destination very distant from the point of departure It should be not only a journey of discovery an exploration of the author s

vision but also of risk By matching one's own vision to that of the author says Adams the reader enters an exciting negotiation to produce a new vision of his own This joint enterprise between reader and writer the shared risk and the wonder of discovery is the foundation of A Love of Reading For the last six years Robert Adams has presented an annual series of book reviews to sold out audiences Eighty per cent of Adams 3 000 subscribers in Toronto and Montreal renew for the following season This book is a selection of modern classics from a discriminating and entertaining guide Perfect for reading groups Quill Quire noting the jump in sales of any book reviewed by Adams has called the phenomenon The Adams Effect
