Reflections from the Heart Martha A. Scott, 2013-08-05 This book of poems takes a fresh look at common everyday occurrences The author noted for her keen observations of even the simplest things such as acorns laying scattered across a road paints a picture in the reader's mind that brings the poems to life With these vivid images in mind an emotional chord is struck between the reader and the author as she shares special moments that have touched her heart The poems range from the light hearted subjects of the antics of the author's beloved pets to more reflective topics as in the need for nature conservation or thoughts about living life that is true to one's self and to the needs of others This book touches the inner core of all of us and is a fun and sometimes thought provoking collection of poems In a day and age where life is so technologically oriented and fast paced it is nice to know that the art of poetry still exists where the beauty and play of words can touch people and make them smile
