Grabowski, 2018-08-29 The purpose of A Catechism for Family Life Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see Amoris Laetitia 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book s main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question Who or What Is It All About?: A Worshipping Musician's Guide to Theology Lawrence Cooke, 2012-11-04 This book is a comprehensive and detailed overview of the main aspects of the Christian faith and lifestyle treated in a style which is simple to understand without being simplistic In more than 95 essays Lawrence ranges across the breadth and depth of Christian theology Using the questions Who Is It or What Is It the author proceeds to analyse across a spectrum of topics Included amongst the 95 essays are answers to the following questions Who is God Who is Jesus Christ Who is The Trinity Who is The Messiah Who is a Human Being Who is a Male Who is Satan Who is The Son of Man Who is God the Father Who is the Word Who is a Female Who is the Antichrist What is Revelation What is Creation What is the Truth What is The Law What is Praise What is Glory What is Prophecy What is Healthy Living What is Love What is Holiness What is the Tongue What is Fear **The Long Sexual Revolution** Hera Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable

option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s
