Love Is The Wine:

Love Is The Wine Muzaffer Ozak, 2013-10-17 Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam as well as those encountering Sufism and the meaning of spiritual love for the first time Themes including generosity faith self knowledge patience and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak A mesmerizing storyteller master teacher and prolific author in his native country he was ideally suited to bring the richness of the Sufi tradition to the West The chapters of this book skillfully edited and compiled by the psychologist and Sufi teacher Dr Robert Frager were derived from talks given during Sheikh Muzaffer's visits to New York and California over the last years of his life Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey In his travels he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order interpreted their dreams and answered their questions about everything from theology and mysticism to marriage and earning a living These stories and teachings are memorable yet highly enigmatic and meant to be told and retold Like great spiritual parables the themes are universal and their applications ageless The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading Love is the Wine is a treasury filled with priceless items of Sufi wisdom Love's Wine Patricia Hagan, 1985 The Battle for Wine and Love Alice Feiring, 2009 I want my wines to tell a good story I want them natural and most of all like my dear friends I want them to speak the truth even if we argue says Alice Feiring Join her as she sets off on her one woman crusade against the tyranny of homogenization wine consultants and of course the 100 point scoring system of a certain all powerful wine writer Traveling through the ancient vineyards of the Loire and Champagne to Piedmont and Spain she goes in search of authentic barolo the last old style rioja and the tastiest new terroir driven champagnes She reveals just what goes into the average bottle the reverse osmosis the yeasts and enzymes the sawdust and oak chips and why she doesn't find much to drink in California And she introduces rebel winemakers who are embracing old fashioned techniques and making wines with individuality and soul No matter what your palate travel the wine world with Feiring and you'll have to ask yourself What do I really want in my glass **The Passion of Love in the Summa Theologiae of Thomas Aquinas** Daniel Joseph Gordon, 2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect

us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers

Wine Worth Drinking Terry Theise, 2018-11-06 A paean to authentic wines and a New York Times Best Wine Book of the Year from the James Beard Award winning author of *Reading Between the Wines* What makes a wine worth drinking As celebrated wine writer Terry Theise explains in this gem of a book answering that seemingly simple question requires us to look beyond what's in our glass to consider much bigger questions about beauty harmony soulfulness and the values we hold dear Most of all Theise shows what makes a wine worth drinking is its authenticity When we choose small scale family produced wine over the industrially produced stuff or when we opt for subtle companionable wines over noisy vulgar ones we not only experience their origins with the greatest possible clarity and detail we also gain a new perspective on ourselves and the world we inhabit In this way artisanal wine is not only the key to good drinking it is also the key to a good life An unforgettable literary journey into the heart and soul of wine What Makes a Wine Worth Drinking is a gift to be cherished from a writer whose id is directly connected to his mouth Eric Asimov The New York Times Winner of the Louis Roederer International Wine Writers Awards Chairman's Award A Best Wine Gift by WineSpeed Grown up wine writing full of emotion and in these dangerously cynical times exactly what we wine enthusiasts we human beings need The World of Fine Wine Theise's fans as well as those just meeting him for the first time will revel as he leads us on an existential tour of wine Dave McIntyre The Washington Post *Reasons to Love Mexico* Andrea Trujillo León, Lillian Briseño Senosiain, Carlos Andrés
