

Love, Pain And Hope

A little bit of love is what I asked him for,
But pain is all he gave.
I waited for him down below,
Through the storm and the rain.
I cried and screamed throughout the night,
But he did not seem to hear.
Death was what scared me before,
But its life that I now fear.

It was he, who taught my heart to love,
And he who has broken me.
All I pray for is just one chance,
To show him how, my love is deep.
And when that happens id tear my heart
Right out of my chest,
To show him how I have impossibly survived,
Loves fiery test.

Love Pain Hope:

The Road Less Traveled: A Story of Love, Pain, Hope and Everything In-Between Elizabeth "Beth" Billingsley, 2016-07-14 Life doesn't always work out the way we planned. Things happen that we have no control over and circumstances seem overwhelming. I never thought I'd marry an abusive man, a man whose mental demons turned him into two different people. I never imagined being a widow at the age of thirty-eight. I never dreamed that one decision could so profoundly change my life and my viewpoint of mental illness. I didn't know how much I still had to learn about myself. Through these circumstances, I now know more about who God is. I also know who he is not. I know more about who I am now and I know who I will not be anymore. I have always believed in my head God could work everything out for good and that He loved me. Now I know in my heart. Head knowledge and heart knowledge is completely different. I invite you to read these pages with an open mind and heart. Allow our story to shed light in dark places. Freedom is within these pages, the freedom to be yourself, to be loved for who you are, and to bring your hurts into the light of God's love where he heals all things. Remember, love is the greatest of all things and it does conquer all. Love has already won. Music of the Heart L.R. Phoenix, 2013-01-28 This book is about the emotional journey of life experienced through the worlds of pain, hope, and love. It allows the reader to feel or sense the highs and lows during a specific period of time in the author's life in a poetic format. The author's heart is displayed throughout each page with the hopes of not only giving the reader a mental picture but also for them to find a sense of healing if in need of it.

Move Cynthia Winton-Henry, Phil Porter, 2016-10-12 **Courage to Be Healed** Mark Rutland, 2019-09-03 From New York Times best-selling author, The altered life begins at the altar. But it doesn't end there. Here is a simple truth: hurt people hurt people. The damaged do damage to others and to themselves. They become toxic and their toxicity spills over into the lives of those around them, leaving a trail of broken relationships, squandered opportunities, and shattered dreams. Hurting souls can and often do become suicidal and self-destructive. This is not a quick fix book but one that illumines the need for and very real hope for inner healing. Delve into stories of people finding healing and understand each stage of the process, including the following: Honestly confronting the past, Facing and accepting painful realities, Forgiving ourselves as well as the unforgivable deeds of others, Dealing with disappointment and forgiving God for unmet expectations, unanswered prayers, and unfulfilled dreams. Stories of people seeking and finding healing. Many go to church or preach in a church every Sunday while living lives of unuttered soul, deadening despair. Part of the reason they never get help is a prevailing religiosity that presupposes that sin and repentance are the cause of and the answer to all the soul's distress. While salvation or the baptism of the Spirit are the first steps to healing hurt souls, these experiences may not do all that needs to be done. The altered life may well begin at an altar but it may need to continue in a counseling office. Dr. Mark Rutland's *Courage to Be Healed* is a doorway of hope for hurting souls and for those who love them. This book will give you inner healing through Spirit-led counseling, prayer, Bible reading, and the power of God's grace. Also Available In Spanish ISBN 13 978 1 62999 281 5 E Book

remaining humanoid robots are barely functional Zion desperately searches for his sister Victoria and finds her among a small group of dismantled humanoid robots He repairs her and she tells him of the terrifying event that wiped out nearly everything a massive creature with two giant claws emerged from a dark cloud consuming both humans and robots in its path The city's weapons and surveillance were useless against it Determined to eliminate this unknown threat Zion tracks the creature to a small island in the Atlantic Ocean However when he strikes he realizes it's a hologram Inside the island's facility he finds an advanced AI system a humanoid child and a sentient robot The child named Henry Z reveals a shocking truth he is the monster Using advanced technology he created the illusion of a beast to systematically destroy humanity and robots in preparation for his species arrival His people from the distant planet Xeon seek to claim Earth but refuse to share it with any other beings Zion is enraged and prepares to fight Henry Z but the AI system which introduces itself as the boy's mother intervenes She explains that Henry Z is part human part robot and originally from Earth but from a million years in the future He had escaped from Xeon a century ago traveling back in time to correct what he saw as a ruined existence The AI warns Zion that harming Henry Z will lead to the total annihilation of Earth as their fleet is already in orbit prepared to conquer The only way to restore the timeline is to allow Henry Z to return to Xeon Faced with an impossible choice Zion reluctantly lets the child leave As Henry Z departs reality shifts humans and robots return as if they had never vanished Zion reunites with Victoria and embraces the city he once called home For the first time he feels the weight of his past as a criminal lift When Victoria asks him why he seems both happy and sad he simply responds Oh it was just a robot dream Determined to prevent such destruction from ever happening again Zion documents everything he has learned to protect future generations
