Love and the Incredibly Old Man Lee Siegel, 2008-11-15 It was the best of times it was the worst of times begins one chapter of critically acclaimed Lee Siegel's new novel Love and the Incredibly Old Man In the beginning starts another What else can a novelist do when hired as a ghostwriter by an elderly irascible conquistador costumed man claiming to be the 540 year old Juan Ponce de Le n The fantastic life of that legendary explorer inventor of rum cigars Coca Cola and popcorn is the frame for Siegel's fourth chronicle of love lies luck loss and labia Summoned with cold hard cash and a pinch of flattery a professor and novelist named Lee Siegel finds himself in Eagle Springs Florida attempting to give form to the life of the man who contrary to popular and historical opinion did indeed find the Fountain of Youth Spending humid days listening to the romantic ramblings of the old man and sleepless nights doubting yet trying to craft these reminiscences into a narrative that will satisfy the literary aspirations of his subject Siegel the ghostwriter spins an improbable tale filled with Native Americans insatiable monarchs philandering cantors deliriously passionate nuns delicate actresses androgynous artists and deceptions small and large For de Le n and for Siegel too centuries of conquest and colonialism fortune and identity are all refracted through the memories of the conquistador's lovers each and every one of them adored more than any other woman ever Comic melancholic lusty and fully engaged with the act of invention whether in love or on the page Love and the Incredibly Old Man continues the real Lee Siegel's exuberant exploration of that sentiment which Ponce de Le n confesses has transported me to the most joyous heights plunged me to the most dismal depths and dropped me willy nilly and dumbfounded at all places in between

Jonathan Franzen at the End of Postmodernism Stephen J. Burn, 2011-10-27 Jonathan Franzen is one of the most influential critically significant and popular contemporary American novelists This book is the first full length study of his work and attempts to articulate where American fiction is headed after postmodernism Stephen Burn provides a comprehensive analysis of each of Franzen's novels from his early work to the major success of The Corrections identifying key sources delineating important narrative strategies and revealing how Franzen's themes are reinforced by each novel's structure Supplementing this analysis with comparisons to key contemporaries David Foster Wallace and Richard Powers Burn suggests how Franzen's work is indicative of the direction of experimental American fiction in the wake of the so called end of postmodernism Who Wrote the Book of Love? Lee Siegel, 2010-04-15 Who Wrote the Book of Love is acclaimed novelist Lee Siegel's comedic chronicle of the sexual life of an American boy in Southern California in the 1950s Starting at the beginning of the decade in the year that Stalin announced that the Soviet Union had developed an atomic bomb the book opens with a child's first memory of himself Closing at the end of the decade when Pat Boone's guide to dating Twixt Twelve and Twenty topped the bestseller list the

book culminates just moments before the boy experiences for the first time what he had learned from a book read to him by his mother was called coitus or sexual intercourse or sometimes less formally just making love Between the initial overwhelmingly erotic recollection and the final climactic moment all is sex beguiling and intractable naughty and sweet Who Wrote the Book of Love is about the subversive sexual imaginations of children And as such it is about the origins of love Vignettes from the author s childhood provide the material for the construction of what is at once comic fiction imaginative historical reportage and an ironically nostalgic confession The book evokes the tone and tempo of a decade during which America was blatantly happy wholesome and confident and yet at the same time deeply fearful of communism and nuclear holocaust Siegel recounts both the cheer and the paranoia of the period and the ways in which those sentiments informed wondering about sex and falling in love Part of my plan Mark Twain wrote in The Adventures of Tom Sawyer has been to try to pleasantly remind adults of what they once were themselves and of how they felt and thought and talked With the same motive Lee Siegel has written what Twain might have composed had he been Jewish raised in Beverly Hills in the 1950s and joyously obsessed with sex and love

Slots David V. Forrest,2012-01-03 A renowned psychiatrist explores the world of slot machine gambling and the almost religious

devotion that has turned it into a billion dollar industry This astonishing book reveals that there s a lot more to playing slot machines one of America s fastest growing forms of entertainment than good fun deep relaxation and the dream of a multi million dollar jackpot Slots tells how the machines work how the random numbers that govern them are generated and how the casinos make their profit slowly but surely as they keep only a dime of every dollar invested It also offers strategies of slot play and suggests alternate activities to distract us when casinos become harmfully habitual But ultimately as Dr Forrest writes to spend one s time feeding money to the machines is to participate in well a form of prayer And the gaming industry seems very much aware of it as players annually plunge more than 365 billion into slots of which casinos keep about 30 billion and as casinos 70 to 85 percent of whose profits are earned by slot machines have spread to more than a dozen states and even into a number of racetracks where they re called racinos What this book describes with both humor and a sense of awe is the way slots emporia have steadily been transformed from underground grottos to soaring cathedral like structures where congregants sit and commune all to the end of worshipping the god of chance

French B Movies David A. Pettersen,2023-03-07 In the impoverished outskirts of French cities known as the banlieues minority communities are turning to American culture history and theory to make their own voices cultures and histories visible Filmmakers have followed suit turning to Hollywood genre conventions to challenge notions of identity belonging and marginalization in mainstream French film French B Movies proposes that French banlieue films far from being a fringe genre offer a privileged site from which to understand the current state of the French film industry in an age of globalization This gritty style appears in popular arthouse films such as Mathieu Kassovitz s La Haine and Bande de filles Girlhood along with the major Netflix hit series Lupin David Pettersen traces how in these works and others directors fuse features of banlieue cinema with genre formulas associated with both Hollywood and Black cultural models as well as how transnational genre hybridizations such as B movies have become part of the ecosystem of the French film industry By combining film analysis cultural history critical theory and industry studies French B Movies reveals how featuring banlieues is as much about trying to imagine new identities and production models for French cinema as it is about representation
