Gordon,2003-01-21 Screen Saviors studies how the self of whites is imagined in Hollywood movies by white directors featuring white protagonists interacting with people of another color This collaboration by a sociologist and a film critic using the new perspective of critical white studies offers a bold and sweeping critique of almost a century s worth of American film from Birth of Nation 1915 through Black Hawk Down 2001 Screen Saviors studies the way in which the social relations that we call race are fictionalized and pictured in the movies It argues

that films are part of broader projects that lead us to ignore or deny the nature of the racial divide in which Americans live Even as the images of racial and ethnic minorities change across the twentieth century Hollywood keeps portraying the ideal white American self as good looking powerful brave cordial kind firm and generous a natural born leader worthy of the loyalty of those of another color The book invites readers to conduct their own analyses of films by showing how this can be done in over 50 Hollywood movies Among these are some films about the Civil War Birth of a Nation Gone with the Wind and Glory some about white messiahs who rescue people of another color Stargate To Kill a Mockingbird Mississippi Burning Three Kings and The Matrix the three versions of Mutiny on the Bounty 1935 1962 and 1984 and interracial romance Guess Who s Coming to Dinner Forty years of Hollywood fantasies of interracial harmony from The Defiant Ones and In the Heat of the Night through the Lethal Weapon series and Men in Black are examined This work in the sociology of knowledge and cultural studies relates the movies of Hollywood to the large political agendas on race relation in the United States Screen Savors appeals to the general reader interested in the movies or in race and ethnicity as well as to students of communication American studies critical white studies American film cultural studies and the sociology of race relations

Beauty and the Beast Gail Kuppan,2017-04-25 In an almost failing marriage Gail Kuppan desperately cried out to the Lord for him to show her his view on the role of a wife The revelations she received from the Lord astounded her as she realized that for almost twenty years of marriage she had had a worldly view that was based on selfishness rather than Gods view which was based on laying down her life She set her heart to apply her newfound knowledge which resulted in the beauty being unleashed in both her husband and herself thus saving their marriage Her desire is to see every marriage succeed She believes that if God can do it for her at a time when she was almost giving up he can do it for you too **Love's Confusions** C. D. C. Reeve,2005-03-31 Love s confusions are legion We promise to love but we cannot love at will Love God we re commanded but we cannot love on command And given the vicissitudes of self love even if we could love our neighbors as we love ourselves would it be a good thing to do so These are a few of the paradoxes that typically lead philosophers to oversimplify love and that draw C D C Reeve to explore it in all its complexity searching for the lessons to be found within love s confusions Ranging from Plato who wrote so eloquently on the subject to writers as diverse as Shakespeare Proust Forster Beckett Huxley Lawrence and Larkin Reeve brings the vast resources of Western literature and philosophy to bear on the question of love As he explores the origins of Western thought on the subject he also turns to the origins of individual experience the relationship of mother and child the template of all possible permutations of love and to the views of such theorists as Freud Melanie Klein and Carol Gilligan At the same time he uses the story of the prototypical absent father Odysseus to demonstrate the importance of reconciling a desire for tenderness with a desire for strength if we are to make the most of love s potentials Looking at love in light of the classical world and Christianity and in its complex relationship with pornography violence sadomasochism fantasy sentimentality and jealousy Reeve invites us to think more broadly about love and to find the confusions that inevitably result to be creative rather than disturbing [The Complete Book of 2000s Broadway Musicals](#) Dan Dietz,2017-04-06 In the first decade of the twenty first century Broadway was notable for old fashioned feel good shows Hairspray Jersey Boys a number of family friendly musicals Little Women Mary Poppins plenty of revivals Follies Oklahoma Wonderful Town a couple of off the wall hits Avenue Q Urinetown several gargantuan flops Dance
