HIMMELGEIST Frank Luger,2007-11-08 Himmelgeist German for Spirit of Heaven is subtitled A Poetry of Divine Agony Why Because it is devoted to one theme only an uncompromisingly honest search for God not as a truth of any organized religion or individual belief but as a fact of the same indisputable kind as gravitation or electromagnetism However except for a few poems science as such is absent from this volume and the operational framework is still the God of the Bible i e the kind of Heavenly Father that most people still associate with the concept of God The search herein is not unlike an intellectual moral Odyssey which shows a kind of evolutionary pattern from some initially gloomy imagery to the cautious optimism of the closing poems The pen name Felix of the previous volume is replaced by Dr Mir in fact this book contains every poem written by him over a 21 month period This is an original literary work written from June 1987 until March 1989 first published in 2007

The Masochistic Playpen Brook Ziporyn,2001-05-30 The Masochistic Playpen is a comedic work of serious fiction albeit one with a lot of sarcastic violence and philosophy in it set in a science fiction milieu replete with clone networks information conglomerates wandering assassins disintegration travel and so on It has been described as a Schwarzenegger vehicle as written by Flaubert in collaboration with Lewis Carroll Johann Gottlieb Fichte and an irritable tenth century Chinese monk with some histrionic last minute suggestions phoned in by Sabbatai Zevi and the Marquis de Sade The story traces a young unfrozen assassin on a fool s errand across the galaxy slaughtering clones according to an obscure slightly Kafkaesque assignment forced to assume a variety of undercover roles in different worlds and societies adapting to their customs and ingratiating himself as ambassador as priest as god as gangster as talk show guest to get close to his victims His adventure takes him from earth to the Disneyesque world of Pleasure Land where he finally meets his ultimate quarry and the thread on which he has been dangling is finally unraveled On the way the absurdly intersubsumptive omniverse which is his to navigate gets its kicks reveling on both sides of his subjectivity in the maliciously jubilant mirrorings which some may say seem to dog the steps of every moment of sentient experience
