Lynn Froggett

Love Hate And Welfare Psychosocial Approaches To Policy And Practice

Monica Greco, Paul Stenner

Love Hate And Welfare Psychosocial Approaches To Policy And Practice:

Love, Hate and Welfare Lynn Froggett, 2002-10-30 This title is a psycho social examination of the changing relationships between service users professionals and managers in the post war welfare state Its original approach bridges the practitioner policy divide by reversing the traditional lens of social policy Psychosocial Studies Kath Woodward, 2015-02-26 There is expanding global interest in the relationship between the psychological and the social The bringing together of affect emotion and feeling with social political and cultural forces offers a creative innovative and rich set of ways of understanding what Charles Wright Mills called the links between personal troubles and public issues This book is an introduction to psychosocial studies Drawing on different approaches to the field the book introduces the main theoretical influences on psychosocial studies and their development and impact through for example concepts such as the unconscious self and identity affect emotion and the cultural and social unconscious It explores the theoretical frameworks of psychosocial studies and psychosocial research methods The book offers examples of case studies which illustrate the diversity of psychosocial studies and what makes it distinctive It asks what is social about the inner worlds of the psychological What is psychological and psychic about social worlds and social life This clear accessible introduction will be of interest to students and researchers across the social sciences and humanities in particular in sociology psychology cultural geography social policy and politics and cultural studies **Emotions** Monica Greco, Paul Stenner, 2013-10-31 Are emotions becoming more conspicuous in contemporary life Are the social sciences undergoing an affective turn This Reader gathers influential and contemporary work in the study of emotion and affective life from across the range of the social sciences Drawing on both theoretical and empirical research the collection offers a sense of the diversity of perspectives that have emerged over the last thirty years from a variety of intellectual traditions Its wide span and trans disciplinary character is designed to capture the increasing significance of the study of affect and emotion for the social sciences and to give a sense of how this is played out in the context of specific areas of interest The volume is divided into four main parts universals and particulars of affect embodying affect political economies of affect affect power and justice Each main part comprises three sections dedicated to substantive themes including emotions history and civilization emotions and culture emotions selfhood and identity emotions and the media emotions and politics emotions space and place with a final section dedicated to themes of compassion hate and terror Each of the twelve sections begins with an editorial introduction that contextualizes the readings and highlights points of comparison across the volume Cross national in content the collection provides an introduction to the key debates concepts and modes of approach that have been developed by social scientist for the study of emotion and affective life

Professional Identity and Social Work Stephen A. Webb, 2017-06-26 Bringing together the perspectives of an internationally renowned group of specialists the collection addresses a range of issues associated with professional identity construction and being professional in the context of a rapidly changing inter professional environment It explores traditional

aspects of professional identity such as beliefs values in group status and belonging alongside themes of professional socialisation workplace culture group membership boundary maintenance jurisdiction disputes and inter professional tensions with health education and the police

Psychoanalytic Theory for Social Work Practice Marion Bower,2005
 Written by practicing social workers and social work educators this text analyzes modern psychoanalytic and psychosocial approaches to social work and relates them to current practices and values Focusing on working with children and families the text covers salient issues in social work practice including risk assessment dealing with parents with drug and alcohol problems supervision and management of emotional stress Throughout the book there is an emphasis on the realities of frontline practice and looking at what can realistically be achieved It also addresses the research evidence for this approach With psychoanalytic and psychosocial approaches becoming increasingly popular this text will be a welcome addition for professionals students and social work educators

Modern Social Work Theory, Fourth Edition Malcolm Payne,2014-06 This masterly text is a classic in its field and will be a reliable companion throughout the course of your studies and your career as a social work practitioner In this substantially reworked and updated fourth edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them Modern Social Work Theory is now more accessible and comprehensive than ever offering the most complete coverage of social work theory from classic perspectives to the very latest ideas including a new chapter dedicated to strengths narrative and solutions approaches a host of brand new case examples showing how theories can be applied to everyday practice new analysis of the ethical dimensions of different social work theories and what common values they share Pause and Reflect questions to encourage you to draw on your own experience and develop your thinking and updated Example text sections which summarize the most current thinking and help bridge the gap between introductions to each theory and more specialist writing

Modern Social Work Theory, Fourth Edition Malcolm Payne,2014-07-01 This masterly text is a classic in its field and will be a reliable companion throughout the course of your studies and your career as a social work practitioner In this substantially reworked and updated fourth edition of his best selling text Malcolm Payne presents clear and concise evaluations of the pros and cons of major theories that inform social work practice and comparisons between them Modern Social Work Theory is now more accessible and comprehensive than ever offering the most complete coverage of social work theory from classic perspectives to the very latest ideas including a new chapter dedicated to strengths narrative and solutions approaches a host of brand new case examples showing how theories can be applied to everyday practice new analysis of the ethical dimensions of different social work theories and what common values they share Pause and Reflect questions to encourage you to draw on your own experience and develop your thinking and updated Example text sections which summarize the most current thinking and help bridge the gap between introductions to each theory and more specialist writing

Community Groups in Context Angus McCabe,Jenny

Phillimore, 2017-03-15 In the past decade community groups have been portrayed as the solution to many social problems Yet the role of below the regulatory radar community action has received little research attention and thus is poorly understood in terms of both policy and practice Focusing on self organised community activity this book offers the first collection of papers developing theoretical and empirically grounded knowledge of the informal unregistered yet largest part of the voluntary sector The collection includes work from leading academics activists policy makers and practitioners offering a new and coherent understanding of community action below the radar The book is part of the Third Sector Research Series which is informed by research undertaken at the Third Sector Research Centre funded by the Economic and Social Research Council and Barrow Cadbury Trust

Transformative Learning for Social Work Clare Stone, Fiona Harbin, 2017-09-16 Learning and self development is a continuous process for social workers and practitioners must keep abreast of new knowledge guidance and legislation in order to keep growing professionally In this innovative text an expert group of authors from a range of academia and practice settings highlights the importance of traditional approaches to learning such as reflective practice and motivation and introduces more contemporary methods such as coaching service user participation and developing digital competence Strongly practical in its approach the book enables the reader to engage with the content in bite size pieces encouraging them to learn in whatever way works best for them Features include Over 40 reflective tools exercises and templates that can be used by learners and educators independently or in groups in the classroom or the workplace A wealth of case material to illustrate key points An inspiring collection of first hand narratives from social workers learning and developing in the field This is an invaluable resource for educators and a must read sourcebook for learners be they students newly qualified social workers or practitioners wishing to attend to their own professional development

Reforming Child Protection Bob Lonne, Nigel Parton, Jane Thomson, Maria Harries, 2008-07-10 Child protection is one of the most high profile and challenging areas of social work as well as one where children s lives and family life are seen to be at stake Vital as child protection work is this book argues that there is a pressing need for change in the understanding and consequent organization of child protection in many English speaking nations Grounded in the recent and contemporary literature research and scholarly inquiry this book capitalises on the experiences and voices of children young people families and workers who are the most significant stakeholders in child protection It will be an essential read for those who work research teach or study in the area
