Love Lives Here Maria Goff, 2017-03-07 This is a book about discovering what we really need There are a lot of second best options but we weren't made to live a second best life Finding what we actually need is different than what we are often offered There are many books full of opinions steps and programs This isn't one of them This is about craving the things that matter Things that don't just work but last In a life that may seem to be all fun and games with an endless supply of balloons author Maria Goff shows how this life is also lived with intentionality passionate purpose and a little planning all of which make a life rich in legacy But she had to figure out the help she needed first in order to live the beautiful life God wanted for her and wants for us Love Lives Here is a collection of stories that include the ways Maria and her husband Bob navigated family their way without clear instructions or a road map It's about what they learned to make their lives meaningful and whimsical and how they created a space for their family to grow together while they reached outward What a gift to read Love Lives Here and find within it a friend who is as authentic and inviting as Maria Goff Through her earnest telling of the stories of her life she provides greater meaning to all our lives We were thrilled to read this book Donald Miller bestselling author of Blue Like Jazz and Scary Close with Betsy Miller Grace is a contagious force we all crave and Maria contains so much grace it floods you from just a short time with her May these pages overwhelm you with God's love and hope that Maria knows so well Jennie Allen Founder of IF Gathering and Author of Nothing to Prove **Love Lives** Carol

Dyhouse, 2021-02-11 The story of how women's lives loves and dreams have been re-shaped since 1950 the year of Walt Disney's Cinderella and a time when teenage girls dreamed of marriage Mr Right and happy endings Cinderella stories captured the imagination of girls in the 1950s when dreams of meeting the right man could seem like a happy ending a solution to life's problems But over the next fifty years women's lives were transformed not by the magic wand of a fairy godmother nor by marrying princes but by education work birth control and feminism However while widening opportunities for women were seen as progress feminists were regularly caricatured as man haters cast in the role of ugly sisters witches or wicked fairies in the fairy tale This book is about the reshaping of women's lives loves and dreams since 1950 the year in which Walt Disney's film Cinderella gave expression to popular ideas of romance and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings It ends with the runaway success of Disney's Frozen in 2013 a film with relevance to very different times Along the way it illuminates how women's expectations and emotional landscapes have shifted asking bold questions about how women's lives have been transformed since 1950 How have women's changing life experiences been mirrored in new expectations about marriage intimacy and family life How have new forms of independence through education and work and greater control over childbearing altered women's life ambitions And were feminists right to believe that sexual equality would improve relationships between men and women **Love, Life, and Laughter in Limericks** Harold Richter, 2011-07-08 Love Life and Laughter in Limericks is a

book of short poems that express insights wisdoms and sometimes humor Each section starts with an explanation of a philosophical view of the author and many of the categorized limericks reflect and expand on those views The book also has an extra section toward the end that contains several types of poetry including non limerick poems reflecting unique thoughts and ideas Many of the over 600 poems deliver deep inspirational messages that can be viewed as quite thought stimulating while others are more proverbial And there are still others that can produce smiles and an occasional belly laugh with their wit and humor The book holds many easy to read poems that should provide several hours of enjoyment

The Children's Bible Charles Foster Kent Henry A. Sherman,2016-08-24 The Children s Bible provides in simple English a translation of selections from both the Old and the New Testament These selections have been made as a result of more than twenty five years of observation and study The text is that of the Bible itself but in the language of the child so that it may easily be read to the younger children and by those who are older It is not in words of one syllable for while the child is reading the Bible he should gradually learn the meaning of new words and idioms The Bible contains the foundations on which the religious life of the child must be built The immortal stories and songs of the Old and New Testaments are his richest inheritance from the past To give him this heritage in language and form that he can understand and enjoy is the duty and privilege of his parents and teachers It is hoped that The Children s Bible will meet the need and the demand which parents and educators alike have long felt and often expressed for a simple translation of selections from the Bible most suited to the needs and the interests of the child It is also believed that after the child has learned to appreciate and love these stories and songs he will be eager and able to read the Bible as a whole with genuine interest and understanding

Lucid and inspiring *Behold the Man* is a unique exploration of Catholic spirituality for men. Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality. While this book does not exclude these subjects, it is the first to present a comprehensive picture of Catholic male spirituality. What is authentic male Catholic spirituality? What distinguishes it from Protestant male spirituality? How does masculine spirituality complement feminine spirituality? These questions and many more are answered in this book. Drawing from Scripture and Church teaching, the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ. He demonstrates that when a man embraces the cross, he is truly able to be himself, the man that God created and calls him to be. *Behold the Man* can deepen a man's experience of Christ and help him to know the Lord more intimately.
