The Analogy of Love Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene, 2017-08-01 In The End of Divine Truthiness Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr s pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert s word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and

revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene s call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love *Love, Sex, and Happily Ever After* Craig Groeschel,2011-12-14 What do you do if you want a marriage that doesn t just survive but thrives That doesn t just begin romantically but ends magnificently Answer You do something different You ve seen marriages fail time and again Even relationships you thought were bulletproof don t last or maybe worse fade away to a cold gray lovelessness It s no wonder that for today s generation getting what you want is often a substitute for love and disillusionment about marriage is the new normal But you can have a long term love blessed marriage Whether you re still considering it are about to be wed or have been married for a while and want to make changes Love Sex Happily Ever After delivers an infusion of hope Author Craig Groeschel clearly and honestly lays out the choices and commitments you can make now to change the way you think and act to build the relationship you want for the rest of your life With an invigorating mix of personal story practical guidance and biblical truth Craig invites you into a candid conversation about first dates sex communication integrity forgiveness and commitment Along the way he shows how you can build a soul enriching God honoring relationship with the one you love and believe together again in your very own happily ever after Previously released as *Going All the Way* *Married for Love* Harriet Maria Gordon Smythies,2023-06-19 Reprint of the original first published in 1857 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Love or Die: Finding Oneness in a Me-First World Sandy Meadows,Stan Wenck,2018-11-20 Love or Die delivers a critical look at two false beliefs that contribute to so much of the suffering and violence in the world today the beliefs that 1 we are separate and 2 we are incomplete Once the reader understands that every action he takes affects the Whole since we are all connected as part of that Whole he will realize that extinction awaits us if we continue to be self indulgent at the expense of others or the environment To destroy any part of nature is to destroy a part of ourselves We must awaken from our self destructive ego consciousness move into higher levels of awareness and begin functioning with cooperation rather than competition Failing this our quality of life will rapidly deteriorate and humans will go the way of the dinosaurs We must learn how to love or we will perish Assisting Questions of English Grammar, with answers, etc Mary Ann TUCKEY,1829 *Jane Austen: An Unrequited Love* Andrew Norman,2010-12-26 Jane Austen is regarded as one of the greatest novelists in the English literary canon and recent film and television adaptations of her works have brought them to a new audience almost 200 years after her untimely death Yet much remains unknown about her life and there is considerable interest in the romantic history of the creator of Elizabeth Bennett and Mr Darcy Andrew Norman here presents a fresh account of her life breaking new ground by proposing that she and her sister Cassandra fell out over a young

The Passion of Love in the Summa Theologiae of Thomas Aquinas Daniel Joseph Gordon,2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers
