

Love Masque

Graham Parry

Love Masque:

The Masks of Love Margarita Spalding Gerry, 1914 Shakespeare's England's Ulysses, the Masque of Love's Labor's Won Latham Davis, 1905 **The Theatricality of Mary Wroth's Pamphilia to Amphilanthus** Susan Lauffer O'Hara, 2011-04 *A List of Masques, Pageants, &c* Walter Wilson Greg, 1902 **A List of Masques, Pageants, &c.** Walter Wilson Greg, *Love's Mistress, Or The Queen's Masque* Thomas Heywood, 1977 *Scanderbeg: Or, Love and Liberty* Thomas Whincop, 1747 *Politics and Political Culture in the Court Masque* J. Knowles, 2015-06-17

Politics and Political Culture in the Court Masque considers the interconnections of the masque and political culture. It examines how masques responded to political forces and voices beyond the court and how masques explored the limits of political speech in the Jacobean and Caroline periods.

Criticism and Compliment Kevin Sharpe, Kevin M. Sharpe, 1987. Criticism and Compliment examines the poems, plays and masques of the three figures who succeeded Ben Jonson as authors of court entertainments in the England of Charles I. The courtly literature of Caroline England has been dismissed by critics and characterised by historians as propaganda for Charles I's absolutism penned by sycophantic hirelings. Kevin Sharpe questions the assumptions on which these evaluations have been based. Challenging the traditional argument for a polarity between court and country cultures in early Stuart England, he re-reads the plays, poems and masques as primary documents of political attitudes articulated at court. Far from being confined to a decade or a party, the courtly literature of the 1630s is relocated within the broader humanist tradition of counsel. Through the language of love, a language it is argued that was part of the discourse of politics in Caroline England, the court poets criticised fundamental premises of the King's political ideology and counselled traditional and moderate modes of government.

The Secret of Love's Labour's Lost Austin Kayingham Gray, 1924

Love's cure; or, The martial maid. Women pleas'd. The night-walker; or, The little thief. The island princess. The woman's prize; or, The tamer tam'd. The noble gentleman. The coronation. The sea-voyage. The coxcomb. Wit at several weapons. The fair maid of the inn. Cupid's revenge. The two noble kinsmen. The tragedy of Thierry and Theodoret. The woman-hater. The nice valour; or, The passionate madman. The honest man's fortune. The masque of the Inner-Temple and Gray's Inn; Gray's Inn and the Inner-Temple. Four plays, or moral representations, in one Francis Beaumont, John Fletcher, 1811

Critical Analyses in English Renaissance Drama Brownell Salomon, 1979. This bibliographic guide directs the reader to a prize selection of the best modern analytical studies of every play, anonymous play, masque, pageant and entertainment written by more than two dozen contemporaries of Shakespeare in the years between 1580 and 1642. Together with Shakespeare's plays, these works comprise the most illustrious body of drama in the English language.

The Original Version of "Love's Labour's Lost" Henry David Gray, 1918

Handbook of English Renaissance Literature Ingo Berensmeyer, 2019-10-08. This handbook of English Renaissance literature serves as a reference for both students and scholars, introducing recent debates and

developments in early modern studies Using new theoretical perspectives and methodological tools the volume offers exemplary close readings of canonical and less well known texts from all significant genres between c 1480 and 1660 Its systematic chapters address questions about editing Renaissance texts the role of translation theatre and drama life writing science travel and migration and women as writers readers and patrons The book will be of particular interest to those wishing to expand their knowledge of the early modern period beyond Shakespeare

Elizabethan Drama, 1558-1642 Felix Emmanuel Schelling, 1908

The Golden Age Restor'd Graham Parry, 1981

The Politics of Mirth Leah S. Marcus, 1989-03-23 Leah Marcus's *The Politics of Mirth* Jonson Herrick Milton Marvell and the Defense of Old Holiday Pastimes is a fascinating study of why James and Charles promoted some types of rural sport and festival and of how certain literary texts participated in promoting or critiquing royal policy Marcus provocatively links texts not often studied in conjunction with one another and she provides strong and detailed readings of those texts Jean E Howard

The Great Feast of Language in Love's Labour's Lost William C. Carroll, 2015-03-08 This book contends that in *Love's Labour's Lost* Shakespeare sought to discover the ways in which the imagination uses and abuses language The author's critical reading shows that the characters are endowed with a wide variety of rhetorical disguises Each assumes that his verbal and social point of view is correct and the limitations and virtues of each viewpoint are explored as the drama unfolds In an elegant examination of theme and style Professor Carroll heightens the reader's awareness of Shakespeare's marvellously inventive use of language The author analyzes the different kinds of style the characters' attitudes toward language the play's theatrical modes the frequent metamorphoses and the debates The term debate justified by Shakespeare's use of the medieval conflictus relates to both theme and structure The author finds that the conflicting theories about the proper relation of language and imagination are resolved stylistically and thematically only in the final Debate between Spring and Winter where the playwright reasserts the nature and value of good art Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Cornell Studies in English, 1926

An Index of Characters in Early Modern English Drama Thomas L. Berger, William C. Bradford, Sidney L. Sondergard, 1998 A reference book which indexes all the characters who appear in English drama from 1500 to 1660
