Love Or:

For Love or Country Jennifer Hudson Taylor, 2014-06-17 At the height of the Revolutionary War Tyra MacGregor is successful at thwarting the British Army with her colonial spy efforts But her sleuthing ways come to a screeching halt when Captain Donahue Hugh Morgan puts her under house arrest Hugh is intrigued by this courageous spy the natives call War Woman She s more daring than most men and is intelligent in defending her convictions Even more impressive to Hugh is the strength of Tyra s unshakeable faith in God When Tyra saves his life during an attack Hugh vows to return the favor Before he can intervene however she is caught by his superior officer and imprisoned Soon Hugh s honor faith country and love are all on the line Can he risk it all to gain everything Is It Love or Is It Addiction Brenda Schaeffer, 2009-08-07 A fresh updated and expanded edition of the book that changed the way we think about romance and intimacy Many of us confuse longing and obsession with true love Through two previous editions Is It Love or Is It Addiction has helped countless people find their way from the trials and confusion of addictive love to the fulfillment of whole and healthy relationships As the author reveals we can begin to work through relationship difficulties with compassion and lasting effect by increasing our awareness of the ways that we express love In this expanded third edition Brenda Schaeffer draws on years of feedback and new developments to foster an understanding of love addiction what it is and what it is not how to identify it and even more important how to break free of it Stories of real people struggling to develop sound relationships illustrate the characteristics of healthy love and help readers to free themselves to find real intimacy Included is the most up to date information about the biological basis of addictive behaviors and the impact of technology on intimate relationships The author also explores the influence of past abuse and trauma on the predisposition to love addiction *The Bower of Love; Or, the Compleat Valentine Writer, Etc* T. TESSIER (Writer of Valentines.), 1830 All for Love: Or, The World Well Lost John Dryden, 1692 *Ocean of Love, or Sea of Troubles?* Geoffrey Harris, 2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives **Love or Die: Finding Oneness in a Me-First World** Sandy Meadows, Stan Wenck, 2018-11-20 Love or Die delivers a critical look at two false beliefs that contribute to so much of the suffering and violence in the world today the beliefs that 1 we are separate and 2 we are incomplete Once the reader understands that every action he takes affects the Whole since we are all connected as part of that Whole he will realize that extinction awaits us if we continue to be self indulgent at the expense of others or the

environment To destroy any part of nature is to destroy a part of ourselves We must awaken from our self destructive ego consciousness move into higher levels of awareness and begin functioning with cooperation rather than competition Failing this our quality of life will rapidly deteriorate and humans will go the way of the dinosaurs We must learn how to love or we will perish

Divine love, or, The Man of sorrows M. A. Dickson,1854 *For Love or Money* Marcia Hill,Ellyn Kaschak,2021-02-27 Realize how you can charge what your services are worth and still care about your clients *For Love or Money: The Fee in Feminist Therapy* examines the rarely talked about topic of payment in therapy taking a symbolic and psychological look at the meaning of fees to both the psychologist and client This intelligent book offers firsthand advice and information concerning how gender can make a difference in your feelings about fees and how the managed care environment affects women clients *For Love or Money* will help you handle your concerns about fees as it discusses payment for missed sessions bartering the meaning of fees with African American women and with women in prison and a model for pro bono work Since most therapists don't discuss fees with colleagues *For Love or Money* provides you with a way to gain information that might not otherwise be available to you As a therapist you will explore perspectives

on what other therapists think about fees and what feelings other therapists have about the amounts they charge for their services. Some of the fee issues you will examine include five typical therapist conflicts that are felt when it comes to fees: the need to change managed behavioral health care to include equal payment for mental health care; length and type of treatment at the discretion of the client and provider; and appropriate training in women's mental health issues for all health care providers. Setting a frame of therapy that includes session time, session length, duration of treatment, fee confidentiality, and the rules of client participation to allow for successful psychotherapy; sound clinical reasons for enforcing payment for missed sessions; and considering a situation where flexibility is recommended; pro bono work that is satisfying. With this insightful and well-written book, you will explore issues such as transference, the symbolic meaning of money, and feelings you may have that could interfere with your ability to follow through with your own payment policies. *For Love or Money* examines many of the issues that surround the taboo topic of fees and will assist you with tackling this seldom-addressed and often uncomfortable subject for the therapist who wants to help her clients but may feel distressed at setting and sticking to established fees.
