Love Songs Of Lennon McCartney With Something By George Harrison:

The Beatles on the Charts Michael A. Ventrella, 2023-03-15 Billboard magazine named The Beatles the greatest performing musical act of all time and their albums continue to chart to this day This is no surprise to the author who combed through nearly 60 years of the magazine week by week to compile a list of every song and album that charted The end result is an intriguing look at the band s influence including their solo efforts The author assigns points to the positions of songs and albums on the charts in order to create a list ranging from the least successful to the most successful Each entry includes a picture of the album cover or single sleeve along with an analysis of the song or album Also provided are introductory chapters about the Beatles and an explanation of how the Billboard charts have been tabulated and changed over the years

The Beatles , The Science of The Beatles Mark Brake, Jeff Brake, 2025-05-27 An In Depth Analysis of The Beatles Music and the Theory Techniques and Technology That Made It Possible When people look back in two hundred years time at our culture whose music will have survived from today Who will be our equivalent of Bach Mozart and Beethoven The big story of contemporary popular music has been The Beatles They were the chief architects of the fusion of classical and popular music to create a new musical mainstream From the time we humans first made our art music and technology have been inseparable And that symbiotic relationship has never been so excitingly orchestrated than with the musical history of The Beatles They absorbed many other styles around them in an extraordinary and unprecedented melting pot of music And they embraced new technologies with enthusiasm and imagination As pioneers of recording tech and artistic presentation making American music with a British twist The Beatles revolutionized many aspects of music tech and became leaders of the era s youth and sociocultural movements Their music was both genuinely sophisticated and hugely popular For a generation they were the most important composers in the world and became the most influential band of all time Putting the band s thirteen legendary studio albums under a microscope The Science of The Beatles looks at the science poetry and raw power in the music that started a revolution

Ringo Michael Seth Starr, 2016-09-01 Ringo With a Little Help is the first in depth biography of Beatles drummer Ringo Starr who kept the beat for an entire generation and who remains a rock icon over fifty years since the Beatles took the world by storm With a Little Help traces the entire arc of Ringo s remarkable life and career from his sickly childhood to his life as The World s Most Famous drummer to his triumphs addictions and emotional battles following the breakup of the Beatles as he comes to terms with his legacy Born in 1940 as Richard Starkey in the Dingle one of Liverpool s most gritty rough and tumble neighborhoods he rose from a hardscrabble childhood marked by serious illnesses long hospital stays and little schooling to emerge against all odds as a locally renowned drummer Taking the stage name Ringo Starr his big break with the Beatles rocketed him to the pinnacle of worldwide acclaim in a remarkably short time He was the last member of the Beatles to join the group but also the most vulnerable and his post Beatles career was marked by chart topping successes a jet setting life of excess and alcohol abuse

and ultimately his rebirth as one of rock's revered elder statesman *The Album* James E. Perone, 2012-10-17 This four volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years from the well known and mainstream to the quirky and offbeat *The Album A Guide to Pop Music's Most Provocative Influential and Important Creations* contains critical analysis essays on 160 significant pop music albums from 1960 to 2010 The selected albums represent the pop rock soul R B hip hop country and alternative genres including artists such as 2Pac Carole King James Brown The Beatles and Willie Nelson Each volume contains brief sidebars with biographical information about key performers and producers as well as descriptions of particular music industry topics pertaining to the development of the album over this 50 year period Due to its examination of a broad time frame and wide range of musical styles and its depth of analysis that goes beyond that in other books about essential albums of the past and present this collection will appeal strongly to music fans of all tastes and interests *The Beatles from A to Zed* Peter Asher, 2019-10-29 At last I finally understand the alphabet I also love this book secret Beatles knowledge from one of the closest insiders Steve Martin Peter Asher met the Beatles in the spring of 1963 the start of a lifelong association with the band and its members He had a front row seat as they elevated pop music into an art form and he was present at the creation of some of the most iconic music of our times Asher is also a talented musician in his own right with a great ear for what was new and fresh He was asked by Paul McCartney to help start Apple Records the first artist Asher discovered and signed up was a young American singer songwriter named James Taylor Before long he would be not only managing and producing Taylor but also working with Linda Ronstadt Neil Diamond Robin Williams Joni Mitchell and Cher among others *The Beatles from A to Zed* grows out of his popular radio program *From Me to You* on SiriusXM's The Beatles Channel where he shares memories and insights about the Fab Four and their music Here he weaves his reflections into a whimsical alphabetical journey that focuses not only on songs whose titles start with each letter but also on recurrent themes in the Beatles music the instruments they played the innovations they pioneered the artists who influenced them the key people in their lives and the cultural events of the time Few can match Peter Asher for his fresh and personal perspective on the Beatles And no one is a more congenial and entertaining guide to their music *Within You Without You* Seth Rogovoy, 2024 *Within You Without You* Listening to George Harrison is a highly personal exploration of George Harrison's essential contributions to the Beatles and his solo work Interviews with contemporary rock musicians Beatles experts musicologists and filmmaker Michael Lindsay Hogg will enhance readers appreciation for Harrison's musical accomplishments and monumental influence as a cultural figure *All Music Guide* Vladimir Bogdanov, Chris Woodstra, Stephen Thomas Erlewine, 2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre
