Search for Frances Mcgrath AnnieMae Robertson,2003-03-12 In her book A Search for Frances McGrath AnnieMae Robertson explores the personal immediate and aftereffects of the nearby murder of a young child just before the end of the big war She searches through a world filled with synchronicities and metaphysical experiences for connections between that event and her own escalating jeopardy and family conflict Her journey is as exciting as it is sad in it s discovery and as breathtakingly tense as a ride down the first drop on a rollercoaster **The Sanctified** AnnieMae Robertson,2008-10-29

The Sanctified follows the migration of a soul from the past into the present and back again It is primarily a love story Caron s attachment to Veneta the catalyst that draws him to the New England town where she grows up under his watchful eye Veneta as an adult with children of her own travels to Australia with her husband and it is there that Caron makes his first strong impact on her life But it is back in the States that she becomes more aware of him during a frightening sance in a small house on a dark mountain road **The Malevolent Voyage of the Lorenzo Vittorio** AnnieMae

Robertson,2002-11-20 The Malevolent Voyage of the Lorenzo Vittorio is a suspenseful novel about corporate espionage kidnapping murder and romance aboard an Italian ocean liner sailing out of Sydney Australia Ending an abusive marriage Fredi Cooper and her three children head back to the States the long way around But instead of a rejuvenating leisurely trip to Southampton England a series of incidents leaves them confused and endangered When Fredis life is threatened and one of her children kidnapped she begins to fear they might not survive the trip at all **Hawk** The Author,2002-07-09 Hawk is a taut thriller that deals with the anatomy of a kidnapping Paul Duprey playing out his fantasy as Hawk kidnaps Chelsea weeks before her marriage His insistence that his love for her must be reciprocal is the visible motivation but as the story progresses the reader is given deeper insight into the psychology of the man and the depth of the danger to both characters Chelsea s carefully choreographed life great job prospects great friends a loving fianc changes drastically when she is hustled into Paul s car in front of her Boston apartment building The journey away from the city into a wilderness area close to the Canadian border is scenic in content and hazardous in actions For the reader it seems like a passage along the edge of a high precipice where one dares not look down or in the reading sense not plunge ahead but travel the narrative in mincing steps Chelsea and Paul are both survivors of difficult early lives They are flawed in ways that heighten the suspense and portend the seemingly inevitable tragedy *Life Could Be a Dream* Jerry Wasserman,2025-05-15 In the tumultuous decade

following World War II the civil rights movement began transforming Black lives and American society The era also proved momentous for African American popular music new record labels new styles and exciting new sounds in the form of electrified blues combos rhythm and blues shouters and balladeers gospel and doo wop quartets By the late 1950s with rock n roll dominating the American soundscape much of the phenomenal Black music of the postwar decade began to drift into relative obscurity This book brings a remarkable body of African American music excluding jazz back into sharp focus and explores its connections to the socio political dreams of Black America during that period of frustrated hopes and great expectations With close attention to the singers musicians and lyrics in hundreds of recordings from 1946 to 1956 it offers for the first time a detailed examination of four musical genres along the blues continuum blues rhythm blues gospel and secular harmony better known as doo wop Meet the artists and listen to the sounds and themes of Black America in a musically explosive decade **From Sorrow's Well** Shaun T Griffin,2015-07-30 Hayden Carruth survived isolation mental health problems and long struggle with drink and smoke to produce a vision of modern poetry rooted in the New England

tradition but entirely his own Many feel his best poems emerged from the isolation of rural Vermont and his poems often are concerned with rural images and metaphors reflecting the land and hardscrabble people around him Together with his second love jazz Carruth s rural experiences infuse his poems with engaging and provocative ideas even as they present sometimes stark topics This volume collects essays and poems from such notable contributors as Donald Hall Marilyn Hacker Adrienne Rich Philip Booth Matthew Miller and Sascha Feinstein among many others The book s sections concern the kinds of writings and the values expressed in his writings for which Carruth was most famous including what editor Shaun T Griffin calls social utility jazz his impoverished rural environment and innovation in poetic form **The Georgia Review** ,2004
