Silent Film Adaptations of Novels by British and American Women Writers, 1903-1929

Jamie Barlowe, 2024-08-08 Silent Film Adaptations of Novels by British and American Women Writers 1903 1929 focuses on fifty three silent film adaptations of the novels of acclaimed authors George Eliot Charlotte Bront Emily Bront Mary Shelley Louisa May Alcott Harriet Beecher Stowe Willa Cather and Edith Wharton Many of the films are unknown or dismissed and most of them are degraded destroyed or lost burned in warehouse fires spontaneously combusted in storage cans or quietly turned to dust Their content and production and distribution details are reconstructed through archival resources as individual narratives that when considered collectively constitute a broader narrative of lost knowledge a fragmented and buried early twentieth century story now reclaimed and retold for the first time to a twenty first century audience This collective narrative also demonstrates the extent to which the adaptations are intertextually and ideologically entangled with concurrently released early woman's films to re promote and re instill the norm of idealized white married domesticated womanhood during a time of extraordinary cultural change for women Retelling this lost narrative also allows for a reassessment of the place and function of the adaptations in the development of the silent film industry and as cinematic precedent for the hundreds of sound adaptations of the literary texts of these eight women writers produced from 1931 to the 2020s

Rigby's Romance Joseph Furphy, 2021-06-08 *Rigby's Romance* 1921 is a novel by Joseph Furphy Written under his pseudonym Tom Collins *Rigby's Romance* is a sequel of sorts to *Such is Life* a unique and challenging story that took decades to achieve a proper audience Earning comparisons to the works of Melville and Twain Furphy's novel is considered a landmark of Australian literature Just as a bale of wool is dumped by hydraulic pressure to less than half its normal size I scientifically compressed something like twenty four hours sleep into the interval between 9 p m and 7 a m Then a touch of what you call dyspepsia and I call laziness kept me debating with myself for another swift running hour Between such

beguiling narration and lively conversations with the characters he meets on his travels through the Australian outback Tom Collins presents himself as a philosophizing everyman a prototype of such characters as Joyce s Leopold Bloom and Beckett s Molloy Journeying in search of his friend Jefferson Rigby a gentleman and adventurer like himself Collins reflects on their history together and longs for his company When the two meet up they engage in a long discussion on politics and the nature of humanity touching on topics as strange and diverse as Australia s legendary wildlife With a beautifully designed cover and professionally typeset manuscript this edition of Joseph Furphy s Rigby s Romance is a classic work of Australian literature reimagined for modern readers
