Unger, 2022-06-15 A Companion to the Gilded Age and Progressive Era presents a collection of new historiographic essays covering the years between 1877 and 1920 a period which saw the U S emerge from the ashes of Reconstruction to become a world power The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era Features contributions by leading scholars in a wide range of relevant specialties Coverage of the period includes geographic social cultural economic political diplomatic ethnic racial gendered religious global and ecological themes and approaches In today's era often referred to as a second Gilded Age this book offers relevant historical analysis of the factors that helped create contemporary society Fills an important chronological gap in period based American history collections **The Gilded Age & Progressive Era** Elisabeth Israels Perry, Karen Manners Smith, 2006-10-30 More than 250 entries provide information on a wide range of topics related to the Gilded Age and Progressive Era covering the economic political and cultural changes and expansions that took place from 1877 to 1920 **Theodore Roosevelt and the Art of American Power** William R. Nester, 2019-02-28 Theodore Roosevelt is an American icon his face carved in granite alongside those of Washington Jefferson and Lincoln on Mt Rushmore He is the only American awarded both the Medal of Honor and Nobel Peace Prize As president he pushed through a stubborn Congress to breakup corporate monopolies strangling the economy impose health standards on the food and drug industries and conserve America's natural heritage including the Grand Canyon and Redwood forest He was a brilliant diplomat who ended a war between Japan and Russia and prevented a war between Germany and France He engineered independence for the province of Panama from Columbia then signed a treaty with the new country that entitled the United

States to build run and defend a Panama canal He crusaded for progressive reforms as a New York assemblyman U S civil service commissioner New York City police commissioner and New York governor He led scientific expeditions across East Africa s savanna and Brazil s rainforest During the war with Spain he raised a cavalry regiment and led his Rough Riders to a decisive victory at San Juan Heights As a Dakota rancher during the frontier s twilight he squared off with outlaws and renegade Indians He was a prolific writer authoring 38 books and hundreds of essays Roosevelt was among the most charismatic presidents Yet although most Americans adored him most Wall Street moguls and political bosses hated him for his reforms He was complex simultaneously peacemaker and warmonger progressive and conservative Machiavellian and Kantian avid hunter and nature lover Roosevelt accomplished all that he did because he mastered the art of American power His motto speak softly and carry a big stick exemplified how he asserted power to defend or enhance American interests Time after time he bested such titans as J P Morgan or Kaiser Wilhelm at the game of power Although he is the subject of dozens of books this is the first to comprehensively explore just how Roosevelt understood massed and wielded power to pursue his vision for an America as the world s most prosperous just and influential nation

Reforming America Jeffrey A. Johnson, 2017-03-20 Presenting a detailed look at the individuals themes and moments that shaped this important Progressive Era in American history this valuable reference spans 25 years of reform and provides multidisciplinary insights into the period During the Progressive Era influential thinkers and activists made efforts to improve U S society through reforms both legislative and social on issues of the day such as working conditions of laborers business monopolies political corruption and vast concentrations of wealth in the hands of a few Many Progressives hoped for and tirelessly worked toward a day when all Americans could take full advantage of the economic and social opportunities promised by U S society This two volume work traces the issues events and individuals of the Progressive Era from approximately 1893 to 1920 The entries and primary sources in this set are grouped thematically and cover a broad range of topics regarding reform and innovation across the period with special attention paid to important topics of race class and gender reform and reformers The volumes are helpfully organized under five categories work and economic life social and political life cultural and religious life science literature and the arts and sports and popular culture

Debunking Glenn Beck Karl Alan Rogers Ph.D., 2011-10-20 Taking the example of Glenn Beck as a media pundit and propagandist this timely and provocative book shows how mainstream media fails in its duty and explains what the American people can do about it Debunking Glenn Beck How to Save America from Media Pundits and Propagandists was written in response to Beck s Arguing with Idiots Its most immediate concern is with exploring the agenda behind Beck s arguments and exposing the flaws in his reasoning But this book s real mission is something much broader Using Beck as an example author Karl Rogers also shows why media reform is so vital to the future of democracy To make that case Dr Rogers offers a detailed discussion of the ideas and ideology at work in Beck s arguments revealing how the well known conservative pundit has distorted and twisted facts to misrepresent

American history the meaning of progressivism and even the U S Constitution The book examines topics ranging from the Second Amendment to health care education housing the Supreme Court unions democracy and government It concludes by explaining how Americans can revitalize the Constitution as a living document and by doing so revitalize public debate and democracy itself Social History of the United States Brian Greenberg,Linda S. Skrabec Jr.,2014-12-09 Covering events such as banking crises economic bubbles natural disasters trade embargoes and depressions this single volume encyclopedia of major U S financial downturns provides readers with an event driven understanding of the evolution of the American economy The United States has fairly recently experienced the worst economic downturn since the Great Depression But crippling financial crises are hardly unusual economic emergencies have occurred throughout American history and can be seen as a cyclical and normal if undesirable aspect of an economic system This encyclopedia supplies objective accessible and interesting entries on 100 major U S financial crises from the Colonial era to today that have had tremendous domestic impact and in many cases global impact as well The entries explore the history and impact of major economic events including banking crises economic shortages recessions national strikes and labor upheavals natural resource shortages panics real estate bubbles social upheavals and the collapse of specific American industries such as rubber and steel production Students will find this book an essential ready reference on key events in American economic history that documents how and why these events led to significant financial and economic problems throughout the United States and around the globe American Catholic Schools in the Twentieth Century Ann Marie Ryan,2022-02-21 This book examines how Catholic educators grappled with public educational policies and reforms like standardization and accreditation educational measurement and testing and federal funding for schools during the early to mid twentieth century These issues elicited an array of reactions including

resistance cooperation and co optation American Catholics had established one of the largest private educational organizations in the United States by the twentieth century It rivaled only that of the public school system At mid century Catholic schools enrolled some 12 percent of the American school age population and their enrollments grew in number through the 1960s The Catholic Church s lobbying arm the National Catholic Welfare Conference NCWC used its well earned stature to push for federal funds for students attending their schools The NCWC succeeded in securing funds with the Elementary and Secondary Education Act of 1965 for students needing special education services and students living in poverty attending Catholic schools This signified a major shift in American education policy Despite this radical change Catholic schools lost significant enrollment over the next several decades to public private and newly minted public charter schools Catholic schools faced an increasingly competitive landscape in an ever expanding school choice environment that they helped create

The Top Books of the Year Major Problems In The Gilded Age And The Progressive Era Documents And Essays The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. Major Problems In The Gilded Age And The Progressive Era Documents And Essays : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Major Problems In The Gilded Age And The Progressive Era Documents And Essays : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
