Identidad autorial femenina y comunicaci3n epistolar MARTOS P3REZ Mar3a Dolores , NEIRA JIM3NEZ Julio Francisco , 2019-02-12 La participaci3n de las mujeres en la cultura ha estado condicionada hist3ricamente por factores muy diversos y complejos literarios pero tambi3n psicol3gicos sociol3gicos religiosos y pol3tico econ3micos A ello se suma la desatenci3n de la historiograf3a monopolizada por la perspectiva androc3ntrica que ha determinado la invisibilidad de la mujer en la historia cultural espa3ola Consecuencia de ello es una identidad autorial problem3tica o problematizada tanto en la representaci3n textual que las escritoras hacen de s3 mismas como en la percepci3n y testimonio que los dem3s agentes del campo literario tienen sobre la autora femenina Este volumen analiza la identidad de las escritoras a trav3s del discurso epistolar desde una perspectiva diacr3nica que atiende a la imagen autorial femenina en su devenir hist3rico y en su contexto europeo

Aztec Goddesses and Christian Madonnas Joseph Kroger, Patrizia Granziera, 2020-04-28 The face of the divine feminine can be found everywhere in Mexico One of the most striking features of Mexican religious life is the prevalence of images of the Virgin Mother of God This is partly because the divine feminine played such a prominent role in pre Hispanic Mexican religion Goddess images were central to the devotional life of the Aztecs especially peasants and those living in villages outside the central city of Tenochtitlan present day Mexico City In these rural communities fertility and fecundity more than war rituals and sacrificial tribute were the main focus of cultic activity Both Aztec goddesses and the Christian Madonnas who replaced them were associated and sometimes identified with nature and the environment the earth water trees and other sources of creativity and vitality This book uncovers the myths and images of 22 Aztec Goddesses and 28 Christian Madonnas of Mexico Their rich and symbolic meaning is revealed by placing them in the context of the religious worldviews in which they appear and by situating them within the devotional life of the faithful for whom they function as powerful mediators of divine grace and terror

Gerardo Diego's Creation Myth of Music Judith Stallings-Ward, 2020-01-29 Since its publication nearly eight decades ago the consensus among scholars about F3bula de Equis y Zeda by the Spanish poet Gerardo Diego 1896 1987 remains unchanged F3bula is an enigmatic avant garde curiosity It seems to rob the reader of the reason necessary to interpret it even as it lures him or her ineluctably to the task nevertheless the present study makes the case that this work is in fact not inaccessible and that what the anhelante arquitecto intended with his masterpiece was a creation myth that explains the evolution of music in his day This monograph unlocks the fullness of the poem s meaning

Aportaciones al III Congreso Internacional de Comunicación y Género y al I Congreso Internacional de Micromachismo en la comunicación* Jannet Valero Vilchis, En este volumen se recogen las aportaciones de dos congresos internacionales celebrados durante 2016 la III edición del congreso internacional de Comunicación y Género y el I Congreso Internacional de Micromachismos Son aportaciones variadas heterogéneas en su temática y también integrando trabajos de muy distinta ejecución desde aquellos de investigadoras con una larga experiencia en los estudios de género como otras aportaciones de jóvenes investigadoras que realizan sugerente análisis siendo también comprensivas con los distintos niveles académicos como de los distintos contextos culturales desde los que se han realizado dichas aportaciones Es un volumen que reúne casi un centenar de trabajos en cuatro idiomas distintos

Un trabajo ambicioso pero muy meritorio para obtener una amplia mirada de la actualidad de la investigación sobre comunicación y género. Se trata de una iniciativa conjunta que expresa precisamente unas de las convicciones que ha caracterizado al pensamiento feminista: las tareas colaborativas son más ricas porque nadie es imprescindible y todas las personas estamos para aprender unos de otras.
