## **Many Coloured Land:**

**The Many-Colored Land** Julian May, 1981-04-17 In the year 2034 Theo Quderian a French physicist made an amusing but impractical discovery the means to use a one way fixed focus time warp that opened into a place in the Rhone River valley during the idyllic Pliocene Epoch six million years ago But as time went on a certain usefulness developed The misfits and mavericks of the future many of them brilliant people began to seek this exit door to a mysterious past In 2110 a particularly strange and interesting group was preparing to make the journey a starship captain a girl athlete a paleontologist a woman priest and others who had reason to flee the technological perfection of twenty second century life Thus begins this dazzling fantasy novel that invites comparisons with the work of J R R Tolkien Arthur C Clarke and Ursula Le Quin It opens up a whole world of wonder not in far flung galaxies but in our own distant past on Earth a world that will captivate not only science fiction and fantasy fans but also those who enjoy literate thrillers The group that passes through the time portal finds an unforeseen strangeness on the other side Far from being uninhabited Pliocene Europe is the home of two warring races from another planet There is the knightly race of the Tanu handsome arrogant and possessing vast powers of psychokinesis and telepathy And there is the outcast race of Firvulag dwarfish malevolent and gifted with their own supernormal skills Taken captive by the Tanu and transported through the primordial European landscape the humans manage to break free join in an uneasy alliance with the forest dwelling Firvulag and finally launch an attack against the Tanu city of light on the banks of a river that eons later would be called the Rhine Myth and legend wit and violence speculative science and breathtaking imagination mingle in this romantic fantasy which is the first volume in a series about the exile world The sequel titled **The Golden Torc** will follow soon

**The Many-colored Land ; The Golden Torc** Julian May, 1981

**The Many-coloured Land** Julian May, 2000 This is the first book in The Saga of the Exiles series Among the misfits and mavericks of the 22nd Century there are those who pass through the time doors of the Pliocene Epoch into the battleground of two warring races from a planet far away Saga of Pliocene exile 1

*The Many Coloured Land* Julian May, 1981

**The Many-Coloured Land: Exiles 1** Julian May, 1988-11-30 For a troubled band of misfits the adventure is about to begin In the 22nd Century a group of misfits and mavericks are preparing to leave behind everything they have known Advanced technology has created a one way time portal to Earth's Pliocene Era six million years ago Those seeking a better life are drawn to the promise of a simple utopia far from the civilised Galactic Mileu But no one could have predicted the dangers on the other side For the group will enter the battleground of two warring alien races exiled from a distant planet And these races not only have potent mind powers but seek to exploit and enslave humans for their own needs The travellers are about to discover that their unspoilt paradise is far from Eden

**Encyclopedia of Post-Colonial Literatures in English** Eugene Benson,L.W. Conolly,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide Legendary Ireland Eithne Massey,2013-10-01 This beautiful book visits twenty eight richly atmospheric sites and tells the mythological stories associated with them Woven into these landscapes are tales of love and betrayal greed and courage passion and revenge featuring the famous characters of Celtic lore such as C Chulainn the children of L r and Queen Maeve The historical and archaeological facts and the folk traditions of each ancient site are explored Some are famous such as Tara and Newgrange others are less well known but equally captivating such as the B ara Peninsula in Cork In a world where many have lost touch with the land and their past the legendary Irish landscape still survives and the stories are never quite over as long as there are people to tell them **The Atlantic as Mythical Space: An Essay on Medieval Ethea** Alfonso J. García-Osuna,2023-05-23 The Atlantic as Mythical Space is a study of medieval culture and its concomitant myths legends and fantastic narratives as it developed along the European Atlantic seaboard It is an inclusive study that touches upon early medieval Ireland the pre Hispanic Canary Islands the Iberian Peninsula courtly love France and the pagan and early Christian British Isles The obvious and consequential ligature that runs throughout the different sections of this text is the Atlantic Ocean a bewildering expanse of mythical substance that for centuries fueled the imagination of ocean side peoples It analyzes how and why myths with the Atlantic as preferential stage are especially relevant in pagan and early Christian western Europe It further examines how prescientific societies fashioned an alternate cosmos in the Atlantic where events beings and places existed in harmony with communal mental structures It explores why in that contrived geography these societies angels and monsters were able to materialize with wonderful profusion it further analyzes how the ocean became a place where human beings ventured forth searching for explanations for what is essentially unknowable the origins of the universe and the reason for our existence in it **Ancient Elder Gods and Irish Myths** A.J. Carmichael,2024-05-13 Celtic mythology is a rich and intricate diverse world a captivating realm where deities and humans interact amidst mystical environments and celestial conflicts Rooted predominantly in the ancient cultures of Ireland and Wales this mythology serves as a compendium of stories a cultural and spiritual mirror reflecting the Celtic people s values traditions and laws By delving into the extensive range of Celtic myths particularly the mythological Ulster and Fenian cycles

in Ireland and the Mabinogion in Wales we can uncover the profound influence these myths have had on European literary and cultural development. The primary method of transmitting these stories was oral, posing a significant challenge to studying Celtic myths. The religious perspectives of the scribes, particularly Christian monks, have left a significant imprint on these texts, but they remain crucial for our understanding. Irish literature draws from significant sources such as *The Book of Invasions* and *The Book of Leinster*, while Welsh literature relies on an important source known as *Mabinogion*. Roman historians provide additional external narratives that contribute to understanding the Celts in a wider context of ancient European history. Unravelling these sources requires a nuanced approach to differentiate the authentic pagan elements from the Christian additions. The Celtic pantheon features diverse deities who govern various aspects of existence and the natural realm. In Irish mythology, the Dagda embodies paternal dominion and jurisdiction over the cycles of life and death, whereas Morrigan signifies the supremacy and inevitability of warfare. According to Welsh mythology, Arawn is the sovereign of the Otherworld, and Bran the Blessed is a colossal king with deep ties to the land and its well-being. The Celts' gods frequently engage with humans, often directly intervening in their destinies, highlighting the Celts' perception of the cosmos as a profoundly interconnected domain. The Mythological Cycle in Ireland narrates the tales of ancient deities and their conflicts, including the Tuatha D Danann, celestial beings who eventually assimilate into Irish civilisation as the forefathers of the contemporary Irish people after being conquered by the Milesians. The purpose of this cycle is twofold: to document Ireland's legendary history and to assert a divine entitlement to the land and its governance.

**The Celtic Shaman** John Matthews, 2012-10-31. Probably the oldest known spiritual discipline, shamanism is the timeless art of living in harmony with creation, providing a universal system to work with today, whatever our religion or spiritual affiliation may be. A reflection of a living tradition with a supremely practical approach to life, it teaches skills for living and ways to utilize latent abilities which we all possess. Celtic Shamanism derives from the native traditions of North West Europe. The shamanic contribution of the Celts and their predecessors has been overlooked until recently and is one of the last shamanic traditions to be explored. While it shares common elements with American, Australian, and Siberian teachings, it derives entirely from Celtic sources. The Celtic Shaman offers a varied and easily followed plan of self-tuition for anyone interested in Celtic mythology and the Western mysteries.

**The Celtic Book of the Dead** Caitlin Matthews, 1992-04-15. In the tradition of *The Book of Runes* and the Egyptian and Tibetan Books of the Dead, this divination system contains 42 beautifully illustrated cards and a book that explains the meaning of the cards and how to use them for education and enlightenment. Matthews has made many original contributions to the fields of Celtic and Arthurian research. Boxed and shrink-wrapped.

**The Golden Labyrinth** G. Wilson Knight, 2022-02-10. First published in 1965, *The Golden Labyrinth* provides a coherent and readable history of the essential nature of British drama in a single volume. The treatment is philosophical and imaginative and full of enthusiasm and clarity, which have made Professor Wilson Knight's works of Shakespearean and other interpretations so famous. The

chapters in this book have been organized according to literary periods and will appeal to both students of literature and casual readers
