Smit, 2017-07-05 Throughout his 40 year career Michael Jackson intrigued and captivated public imagination through musical ingenuity sexual and racial spectacle savvy publicity stunts odd behaviours and a seemingly apolitical yet always political offering of popular art A consistent player on the public stage from the age of eight his consciousness was no doubt shaped by his countless public appearances both designed and serendipitous The artefacts he left behind music interviews books written by and about him and commercial products including dolls buttons posters and photographs videos movies will all become data in our cultural conversation about who Michael Jackson was who he wanted to be who we made him to be and why Michael Jackson Grasping the Spectacle includes essays that aim to understand Jackson from multiple perspectives critical cultural theory musicology art history media studies cultural anthropology sociology philosophy religious studies literary theory gender studies performance studies disability studies film studies and African American studies Intended for classroom use as well as research and general interest this book expands our understanding both of this fascinating figure himself and of gender sexuality celebrity and popular culture **M Poetica: Michael Jackson's Art of Connection and Defiance**, **Michael Jackson Master of Illusion** Mari Hadley, 2009-10-22 Michael Jackson was the King of Pop and a noted entertainer humanitarian and philanthropist Michael Jackson was always under the scrutiny of the media when in public On June 25 2009 Michael Jackson was pronounced dead from cardiac arrest at approximately 2 26 pm MST at University of California Los Angeles UCLA Medical Center There is so much conflicting information concerning whether Michael was a drug addict or not Michael Jackson had many trials and tribulations over the past twenty years which have caused him much heartache and pain The media has ostracized and ridiculed the entertainer whenever possible He was an entertainer that loved to develop illusions for his stage presentations and videos which fooled his audiences Michael always wanted to have a normal life for him and his children in which they could enjoy the simple things in life without the scrutiny of the public and media Michael has proven to be worth more in death than in life With all the publicity for his death there is still no real physical evidence Michael Jackson is really deceased Therefore there is the possibility Michael inadvertently created the illusion of his own death **The Encyclopedia of Popular Music** Colin Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day *Focus On: 100 Most Popular American Rock Songwriters* Wikipedia contributors, ELLIPSIS A Collection of Essays and Short Stories...
