Clark, 2023-02-27 Everybody knows about Disney World Universal EPCOT Sea World and a slew of other Florida attractions But how about bygone Sunshine State attractions such as Texas Jim's Sarasota Reptile Farm and Zoo the Skull Kingdom the House of Mystery or Dixieland Amusement Park Many were roadside stops started by families as an extension of a fruit stand or market Oranges and sodas in the front alligators in the back Many of the attractions were free designed to lure customers for the fruit stand or store Others charged a small fee Some became nationally known such as Cypress Gardens where Johnny Carson not only broadcast but water skied The roadside attractions had their heyday from the 1920s to the coming of Disney in 1971 It was a much simpler time and a large tree known as The Senator could become a top attraction along with a St Petersburg drug store Revisit these lost attractions with author Jim Clark Forgotten Disney Kathy Merlock Jackson, Carl H. Sederholm, Mark I. West, 2023-06-28 This work demonstrates that not everything that Disney touched turned to gold In its first 100 years the company had major successes that transformed filmmaking and culture but it also had its share of unfinished projects unmet expectations and box office misses Some works failed but nevertheless led to other more stunning and lucrative ones others shed light on periods when the Disney Company was struggling to establish or re-establish its brand In addition many Disney properties popular in their time but lost to modern audiences emerge as forgotten gems By exploring the studio's missteps this book provides a more complex portrayal of the history of the company than one would gain from a simple recounting of its many hits With essays by writers from across the globe it also asserts that what endures or is forgotten varies from person to person place to place or generation to generation What one dismisses someone else recalls with deep fondness as a magical Disney memory *Fodor's Disneyland & Southern California With Kids* Michael Knight, Trisa Knight, 2010 Providing helpful guides to traveling with children these easy to use handbooks offer a variety of fun filled educational hassle free activities available in cities and regions around the world along with planning tips addresses admission prices age appropriateness and nearby lodgings and restaurant recommendations High Impact Practices in Higher Education Enakshi Sengupta, 2023-09-27 Collating various case studies policies and other real world research this book examines effective high impact learning practices and demonstrates approaches that promote learning communities and common intellectual experiences *Lucky Jim* Arda LaCroix, 1908 **Telecinematic Stylistics** Christian Hoffmann, Monika Kirner-Ludwig, 2020-05-14 Over the last two decades the study of discourse in film and television has become one of the most promising research avenues in stylistics and pragmatics due to the dazzling variety of source

material and the huge pragmatic range within it. Meanwhile with the advent of streaming and the box set film and television themselves are becoming separated by an increasingly blurred line. This volume closes a long standing gap in stylistics research bringing together a book level pragmastylistic showcase. It presents current developments from the field from two complementary perspectives looking stylistically at the discourse in film and the discourse of and around film. This latter phrase comes to mean the approaches which try to account for the pragmatic effects induced by cinematography. This might be the camera work or the lighting or the mise en scene or montage. The volume takes a multimodal approach looking at word movement and gesture in keeping with modern stylistics. The volume shows how pragmatic themes and methods are adapted and applied to films including speech acts im politeness implicature and context. In this way it provides systematic insights into how meanings are displayed enhanced suppressed and negotiated in both film and televisual arts.

Developing Young Minds Rebecca A. Shore, 2015-09-17 Ever wonder what is going on in a baby's brain? Or how you can best nurture a child's natural development? Or why exactly Bach is better than Mozart for babies? This book will explain why. No technical knowledge is necessary as Shore makes recent neurological findings accessible to all those who come into contact with young children. Everything a baby experiences in his or her first five years is building the foundation of life's learning potential. Through increasing the complexity of the early childhood environment in developmentally appropriate ways we can nurture young children's brains. **Developing Young Minds** is a must have for new parents or caregivers of young children.
