Messages from the Masters Brian Leslie Weiss, 2000 A leader in the New Age movement, Dr. Brian Weiss is famous for his work on past life regression. Now, after two decades of studying reincarnation, Weiss has discovered the ultimate healing energy: love. Not love in a romantic sense, but love as the life force, an actual physical energy that can be measured. In this important work, Weiss addresses such topics as what happens after we die, strategies for healing relationships, means of combating anxiety, and the role of God and self-determination. Drawing on the wisdom of the spirit guides known as the Masters, introduced in *Many Lives Many Masters*, Weiss presents exercises and meditations that demonstrate how the power of love can utterly transform lives. Both inspirational and practical, *Messages From The Masters* presents a vision of hope and healing that will drastically change the way readers think about themselves and the world.

Encounters With Men Of Miracles Mayah Balse, 2013-05-05 This book is a graphic, face-to-face account of encounters with unusual men and women: the faithhealers, the flesh mortifiers, the mystics who materialise ash and honey, black magicians, yogis who stop their pulse and heart beat, death defiers who get buried alive and live to tell the tale, spiritual seance mediums who act as transmitters between the living and the dead, and much more. Some mysteries of the Universe are beyond man's comprehension, yet they never fail to ignite his curiosity. The very fact that these psychic phenomena cannot be exhibited by everyone adds to their peculiar allure. This book is an objective sally into this realm. What gives some mortals these superpowers? Science has not yet found all the answers. Hear what the mystics and miracle men say in their own versions of what exactly happens to them on the psychic, physical, and metaphysical planes when they are going through these experiences.

Past Lives Atasha Fyfe, 2015-01-05 This book introduces the idea that we have multiple lifetimes and explores how past life awareness can lead to a happier, more meaningful, and more fulfilled experience of life in the present.
