Selected Readings on Database Technologies and Applications Halpin, Terry, 2008-08-31 This book offers research articles focused on key issues concerning the development design and analysis of databases Provided by publisher NAEP... Reading Report Card for the Nation and the States ,1999 *Mapping in Architectural Discourse Marc* Schoonderbeek, 2021-11-29 This book explores the notion of mapping in architectural discourse First locating positioning and theorizing mapping it then makes explicit the relationship between research and design in architecture through cartography and spatial analysis It proposes three distinct modalities tool operation and concept showing how these methods lead to discursive aspects of architectural work and highlighting mapping as an instrument in developing architectural form It emphasizes the importance of place and time as fundamental terms with which to understand the role of mapping An investigation into architectural discourse this book will appeal to academics and researchers within the discipline with a particular interest in theory history and cartography Reading and Mapping Hardy's Roads Scott Rode, 2006-06-23 This book examines Thomas Hardy's representations of the road and the ways the archaeological and historical record of roads inform his work Through an analysis of the uneven and often competing road signs found within three of his major novels The Return of the Native Tess of the D Urbervilles and Jude the Obscure and by mapping the road travels of his protagonists this book argues that the road as represented by Hardy provides a palimpsest that critiques the Victorian construction of social and sexual identities Balancing modern exigencies with mythic possibilities Hardy's fictive roads exist as contested spaces that channel desire for middle class assimilation even as they provide the means both to reinforce and to resist conformity to hegemonic authority Reading with Oprah Kathleen Rooney, 2008-01-01 Adored by its fans deplored by its critics Oprah s Book Club has been at the center of arguments about cultural authority and literary taste since it began in 1996 Reading with Oprah explores the club's revolutionary fusion of books television and commerce and tells the engaging and in depth story of the OBC phenomenon Kathleen Rooney combines extensive research with a dynamic voice to reveal the club's far reaching cultural impact and its role as crucible for the clash between high and low literary taste Comprehensive and up to date the book covers the club from its inception in 1996 through the Jonathan Franzen contretemps the surprising suspension in 2002 and after the club's return in 2003 the progression from great books to memoir New material includes an extensive look at the James Frey scandal and Oprah s turn to contemporary fiction including The Road and Middlesex Through close examination of Winfrey's picks and personal interviews with book club authors and readers Rooney demonstrates how the club that Barbara Kingsolver calls one of the best possible uses of a television set has according to Wally Lamb gotten people of all ages to read to read more and to read widely Maps of Empire Kyle Wanberg, 2020-07-09 During the political upheavals of the mid twentieth century as imperialism was unraveling on a grand scale writers from colonized and occupied spaces questioned the necessity and ethics of their histories As empire wrote back to the self

ordained centres of the world modes of representation underwent a transformation Exploring novels and diverse forms of literature from regions in West Africa the Middle East and Indigenous America Maps of Empire considers how writers struggle with the unstable boundaries generated by colonial projects and their dissolution. The literary spaces covered in the book form imaginary states or reimagine actual cartographies and identities sanctioned under empire The works examined in Maps of Empire through their inner representations and their outer histories of reception inspire and provoke us to Resistant City: Histories, Maps And The Architecture Of Development Eunice Mei Feng reconsider boundaries Seng, 2020-02-24 This vivid book is an inquiry into the stagnation between the development of architectural practice and the progress in urban modernization It is about islands as territories of resistance It is about dense places where multitudes dwell in perennial contestations with the city on every front It is about the histories tactics and spaces of everyday survival within the hegemonic sway of global capital and unstoppable development It is preoccupied with making visible the culture of resistance and architecture s entanglement with it It is about urban resilience It is about Hong Kong where uncertainty is status quo This interdisciplinary volume explores real and invented places and identities that are created in tandem with Hong Kong's urban development Mapping contested spaces in the territory it visualizes the energies and tenacity of the people as manifest in their daily life social and professional networks and the urban spaces in which they inhabit Embodying the multifaceted nature of the Asian metropolis the book utilizes a combination of archival materials public data sources field observations and documentation analytical drawings models and maps Related Link s Handbook of College Reading and Study Strategy Research Rona F. Flippo, David C. Caverly, 1999-09 The Handbook of College Reading and Study Strategy Research is the most comprehensive and up to date source available for college reading and study strategy practitioners and administrators In this thorough and systematic examination of theory r Encounters at the Heart of the World Elizabeth A. Fenn, 2014-03-11 This Pulitzer Prize winning work pieces together the lost history of the Mandan Native Americans and their thriving society on the Upper Missouri River The Mandan people's bustling towns in present day North Dakota were at the center of the North American universe for centuries Yet their history has been nearly forgotten maintained in fragmentary documents and the journals of white visitors such as Lewis and Clark In this extraordinary book Elizabeth A Fenn pieces together those fragments along with important new discoveries in archaeology anthropology geology climatology epidemiology and nutritional science The result is a bold new perspective on early American history a new interpretation of the American past By 1500 more than twelve thousand Mandans were established on the northern Plains and their commercial prowess agricultural skills and reputation for hospitality became famous Recent archaeological discoveries show how they thrived and how they collapsed The damage wrought by imported diseases like smallpox and the havoc caused by the arrival of horses and steamboats were tragic for the Mandans yet as Fenn makes clear their sense of themselves as a people with distinctive traditions endured Mental Maps in the Era of Two World Wars S.
