Bread Upon the Waters Jeannette Romaniuk,2012-11-15 The book entitled *Bread Upon the Waters* encompasses historical events occurring during the early development of the United States Canada and the Canadian West It dates back from the end of the 19th and the beginning of the 20th centuries It includes events that transpired in those regions during that period It is a story of a gifted womans extraordinary courage and fortitude as she envisages and endures the brutal hardship of pioneering in the Canadian West *Delhi* R.V. Smith,2015-05-30 Ronald Vivian Smith is an author of personal experiences a rare breed to find in a time when even journalists hesitate to put pen to paper without scanning through the internet A definitive voice when it comes to some known and unknown tales and an inspiration to a new generation of city

scribes Smith is a master chronicler of Delhi's myriad realities. Among the capital's most ardent lovers, Smith believes in the power of observation and interaction. His travels across Delhi, most often in a DTC bus, examine the big and small curiosities seamlessly juxtaposing the past with the present. Be it the pride he encounters in the hutments of one of Chandni Chowk's age-old beggar families or his ambling walks around Delhi's now dilapidated cemeteries, Smith paints with his words a city full of magic and history. This anthology features short essays on the Indian sultanate, its fall after the British Raj, and its resurrection to become what it is today, the National Capital Territory of Delhi. No amount of bookish knowledge can compete with the sort of insights and real lived memories he has. Smith has Rakshanda Jalil, LiveMint. When it comes to writing on monuments of Delhi, known, little known, or unknown, no one does a better job than R. V. Smith, Khushwant Singh, Hindustan Times.

Back from the Deep Doug Horner, 2024-03-12. The dramatic story of an unlikely search and recovery duo who help law enforcement and grieving families with their uncanny knack for locating bodies underwater. A powerful debut for fans of deeply reported stories that follow real people with obsessional passions and of authors like Tracy Kidder, Sebastian Junger, and Patrick Radden Keefe. When the police and FBI exhaust their abilities and options, and when grieving families run out of resources, their last best hope has been an Idaho couple who have spent their retirement years pursuing lost causes and have located 130 victims from lakes and rivers across the United States and Canada. Gene and Sandy Ralston, a married Idaho couple in their mid-70s, are self-taught underwater search and recovery specialists who volunteer their time and equipment. And yet the Ralstons are counted among the best in the world. The Ralstons have an uncanny knack for finding bodies in deep water and can regularly find a missing person within hours, sometimes even minutes of launching their boat. Law enforcement and emergency response agencies seek out their peculiar expertise, but when the Ralstons' home phone rings, it's usually a family member of a missing person. Someone reaching out after the local police and volunteer groups have called off the official search. Someone who heard from a friend of a friend about a couple from Idaho who will travel thousands of miles at the drop of a hat, charging only their travel costs to help complete strangers.
