MAPP to Aquarius Nada-Yolanda,1985-11 It began in 1956 57 A 31 year old business executive born of Jewish parents in Brooklyn New York was shocked by spiritual psychic manifestations Invisible teachers contacted her telling her to prepare for the Second Coming of Jesus the Christ For 12 years she had been a confirmed atheist believing neither in the soul nor in life after death These spiritual and psychic manifestations occurred therefore without premeditation or conscious curiosity They just happened spontaneously No wonder her initial response was amazement and disbelief I never believed in the first coming of Jesus How can I possibly herald his second coming This book documents through chronological excerpts the channelled communications dictated consciously to Nada Yolanda from 1958 to 1970 They began as a guide or map for her own spiritual unfoldment The Gods Have Landed James R. Lewis,1995-03-09 This is a comprehensive account of the religious dimensions of the UFO flying saucer experience *Channeling* Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult Routledge Library Editions: Spiritualism Various,2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology Publishers Directory ,1994 *Encyclopedia of American Religions* J. Aquarius Albert Amao Ph. D.,2012 We are at the threshold of a transitional period from the Age of Pisces to the Age of
 Aquarius What should we expect from this coming New Era What are its signs What is the fate of human spirituality What
 will the new concepts of God and of religion be This book attempts to answer these questions based on well researched
 sources complemented and endorsed by cosmology archeology psychology religion Near East studies and mythology among
 other scientific disciplines The book also intends to clarify the confusion created by some Protestant religious leaders and
 sensationalistic writers who have misinterpreted the signs of the transitional period as the end of the world The truth is that
 we are witnessing a shift of ages that is the slow evolution from the Piscean Era to the commencing of a new worldwide
 social order a new chapter in human history called the Aquarian dispensation The huge conspiracy propounded by false
 prophets and some New Age writers whether overtly or covertly feeds the fear and anxiety of ordinary people with unfounded
 apocalyptic propaganda This book attempts to give the reader an accurate perspective regarding the planetary
 transformations that are taking place it offers hope and inspiration as we approach the Golden Age
