Collects *Marauders* 2019 1 12 Ahoy mutants the X Men sail at dawn A glorious new mutant era has begun on Krakoa but some nations are preventing mutants from escaping to their promised homeland Which is where Captain Kate Pryde and her seafaring allies come in Funded by Emma Frost and the Hellfire Trading Company Kate and her crew of Storm Pyro Bishop and Iceman sail the seven seas as the Marauders rescuing mutants in need But the real cutthroats are back home in the Hellfire Club s Inner Circle where Sebastian Shaw has recruited a new Black Bishop to aid in his machinations against the Club s two queens A life on the ocean waves involves clashes with the anti mutant Verendi the size changing pest Yellowjacket and more But when tragedy strikes the Marauders Krakoa will be left reeling from an unthinkable and perhaps insurmountable death      *Marauders of the Synchronetic Line* David J. Barron, 2015-06-17 Delve into the world of UFO abduction as you follow the story of a man tortured by serial abductions who is suddenly thrust into a world beyond his comprehension Old style sci fi action mixes with gritty adult drama in this tale that incorporates actual historical events and science fiction into one possible reality See the fierce battles that ensue when human beings retaliate in a secret war against the invaders Join the Marauders of the Synchronetic Line as they travel those avenues hidden from the rest of us fight back against a tyranny only few believe in or understand and seek justice in a universe that shows no mercy      [The Moon's Prophecy](#) Jonathan Sparrow, 2009-10-01 When invading boars arrive in Riversplash Mountain a group of friends assume the identities of the Brave Tails legendary heroes who originally rid their land of predators      [Merrill's Marauders](#) Gavin Mortimer, 2013-11-15 From late 1941 through 1942 Japan overran much of the Pacific including Burma In March 1943 British Gen Orde Wingate and his famed long range penetration unit the Chindits cut through the Burmese jungle skirmishing with Japanese troops destroying bridges and cutting rail lines Their advance and success shocked the Japanese who had been conquering East Asia at an unstoppable pace The Chindits success however came at a price they lost one third of their three thousand men during the two month long mission But though the Chindits were ultimately pushed back to India their mission set the foundation for long range penetration troops into Japanese controlled territory Months later in August 1943 a call went out for three thousand American troops to volunteer for a hazardous secret mission in the Burmese jungle Casualties were expected to be 85 percent Despite these unfavorable odds the required number of troops was raised comprising men with varied military and personal backgrounds such as Sioux and Japanese Americans who later formed the core of the unit s elite intelligence and reconnaissance platoons Code named Unit Galahad but lacking an official designation they were christened the Dead End Kids by an embedded newspaper correspondent After Col Charles Hunter the unit s commander during training was reassigned to second in command and replaced by Brig Gen Frank Merrill other members of the press coined the more popular nickname for the unit that eventually stuck Merrill s Marauders After training for months

in India the Marauders made their way into Burma in February 1944 and cut their way over mountain passes and through thick jungle growth fighting off malaria and dysentery The Marauders continued their trek through the Burmese jungle and engaged in several skirmishes with Japanese troops on their way to their ultimate goal capturing the vital Japanese controlled airstrip at Myitkyina which linked northern Burma to the rest of the country Once the airfield was captured through a series of brilliant outflanking movements assisted by Chinese units and Kachin hill tribes the Marauders dug in to defend it until troops from the First Chinese Army arrived Only two hundred of the original three thousand Marauders remained in fighting condition when the support came General Joseph Stilwell reorganized the group with reinforcements and then focused on taking the town of Myitkyina which the Allies finally wrestled from the Japanese in August 1943 For their bravery in the harshest fighting conditions the group received a Presidential Unit Citation six Distinguished Service Crosses four Legions of Merit and forty four Silver Stars Merrill s Marauders is the story of this highly decorated unit one of the toughest special forces units of World War II Author bio Award winning historian Gavin Mortimer is one of the world s foremost experts on World War II special forces His history of the wartime Special Air Service was praised by the BBC as a highly authoritative but also absorbing account and it is currently under option from GK TV in Hollywood He has also written The Daring Dozen Special Forces Legends of World War II a study of twelve of the most influential wartime special forces soldiers from the United States Britain and Germany He contributes regularly to World War II magazine MHQ Military History Quarterly and other historical publications on both sides of the Atlantic Shooting Scripts Bob
