Octavio Paz conveying his awareness of Duchamp as a great cautionary figure in our culture warning us with jest and quiet scandals of the menacing encroachment of criticism science and even art New York Times Book Review [Dialogues With Marcel Duchamp](#) Pierre Cabanne,2025-05-01 With an introduction by Robert Motherwell and an appreciation by Jasper Johns Marcel Duchamp one of this century s pioneer artists moved his work through the retinal boundaries which had been established with Impressionism into a field where language thought and vision act upon one another There it changed form through a complex interplay of new mental and physical materials heralding many of the technical mental and visual details to be found in more recent art In the 1920s Duchamp gave up quit painting He allowed perhaps encouraged the attendant mythology One thought of his decision his willing this stopping Yet on one occasion he said it was not like that He spoke of breaking a leg You don t mean to do it he said The Large Glass A greenhouse for his intuition Erotic machinery the Bride held in a see through cage a Hilarious Picture Its cross references of sight and thought the changing focus of the eyes and mind give fresh sense to the time and space we occupy negate any concern with art as transportation No end is in view in this fragment of a new perspective In the end you lose interest so I didn t feel the necessity to finish it He declared that he wanted to kill art for myself but his persistent attempts to destroy frames of reference altered our thinking established new units of thought a new thought for that object The art community feels Duchamp s presence and his absence He has changed the condition of being here Jasper Johns from Marcel Duchamp An Appreciation [Marcel Duchamp and Max Ernst](#) David Hopkins,1998 David Hopkins analyses the extensive network of shared concerns and images in the work of Marcel Duchamp and Max Ernst the greatest names associated with Dada and Surrealist art This book covers a broad period from c 1912 to the mid 1940s during which the emergence of Dada and Surrealism in Europe and the United States challenged earlier movements such as Cubism and Expressionism creating scope for the expression of the unconscious fears and desires of artists acutely sensitive to the troubled nature of their times Examining Duchamp s and Ernst s subversion and manipulation of religious and hermetic beliefs such as Catholicism Rosicrucianism and Masonry David Hopkins demonstrates the ways in which these esoteric concerns intersect with themes of peculiarly contemporary relevance including the social construction of gender and notions of ordering and taxonomy This detailed comparison of components of Duchamp s and Ernst s work reveals fascinating structural patterns enabling the reader to discover an entirely new way of understanding the mechanisms underlying Dada and Surrealist iconography [aka Marcel Duchamp](#) Anne Collins Goodyear,James W. Mcmanus,2014-12-30 aka Marcel Duchamp is an anthology of recent essays by leading scholars on Marcel Duchamp arguably the most influential artist of the twentieth century With scholarship addressing the full range of Duchamp s career these papers examine how Duchamp s influence grew and impressed itself upon his contemporaries and subsequent generations of artists Duchamp

provides an illuminating model of the dynamics of play in construction of artistic identity and legacy which includes both personal volition and contributions made by fellow artists critics and historians This volume is not only important for its contributions to Duchamp studies and the light it sheds on the larger impact of Duchamp s art and career on modern and contemporary art but also for what it reveals about how the history of art itself is shaped over time by shifting agendas evolving methodologies and new discoveries

Marcel Duchamp (Second) (World of Art) Dawn Ades,Neil Cox,David Hopkins,2021-04-13 A revised and expanded edition of one of the most original books ever written on the enigmatic artist Marcel Duchamp Genius anti artist charlatan guru impostor Since he arrived on the scene in 1914 Marcel Duchamp has been called all of these Almost no other artist of the twentieth century has inspired more passion and controversy nor exerted a greater influence on art At the same time Duchamp continually challenged the very nature of art and strove to redefine it as conceptual rather than as product by questioning why the medium was mostly a retinal experience Always the provocateur Duchamp never ceased to be engaged openly or secretly in activities and works that transformed traditional artmaking Through his works like Fountain Bicycle Wheel L H O O Q and Nude Descending a Staircase No 2 Duchamp played with the idea of what art can be opening new possibilities for future generations This revised entry in the World of Art series written by three leading experts on twentieth century art and published with support of Duchamp s widow is one of the most original books written on this enigmatic artist Featuring a new chapter and preface as well as updates throughout from specialist scholars who are active in their fields this is the definitive introduction to Duchamp Thoroughly illustrated this volume combines thirty years of research by the authors and challenges history s presumptions misunderstandings and pieces of misinformation about Marcel Duchamp and his legacy

Jewish Identities Klara Moricz,2008-02-05 Jewish Identities mounts a formidable challenge to prevailing essentialist assumptions about Jewish music which maintain that ethnic groups nations or religious communities possess an essence that must manifest itself in art created by members of that group Klara Moricz scrutinizes concepts of Jewish identity and reorders ideas about twentieth century Jewish music in three case studies first Russian Jewish composers of the first two decades of the twentieth century second the Swiss American Ernest Bloch and third Arnold Schoenberg Examining these composers in the context of emerging Jewish nationalism widespread racial theories and utopian tendencies in modernist art and twentieth century politics Moricz describes a trajectory from paradigmatic nationalist techniques through assumptions about the unintended presence of racial essences to an abstract notion of Judaism

Association Mexico Mexican Literature as World Literature is a landmark collection that for the first time studies the major interventions of Mexican literature of all genres in world literary circuits from the 16th century forward This collection features a range of essays in dialogue with major theorists and critics of the concept of world literature Authors show how the arrival of Spanish conquerors and priests the work of enlightenment naturalists the rise of Mexican academies the culture of the Mexican Revolution and Mexican neoliberalism have played major roles in the formation of world literary structures The book features major scholars in Mexican literary studies engaging in the ways in which modernism counterculture and extinction have been essential to Mexico s world literary pursuit as well as studies of the work of some of Mexico s most important authors Sor Juana Carlos Fuentes Octavio Paz and Juan Rulfo among others These essays expand and enrich the understanding of Mexican literature as world literature showing the many significant ways in which Mexico has been a center for world literary circuits *Performance in the Texts of Mallarmé* Mary Lewis Shaw,1993-03-01

Performance in the Texts of Mallarm offers a new theory of performance in the poetic and critical texts of Stephane Mallarm a theory challenging the prevailing interpretation of his work as epitomizing literary purism and art for art s sake Following an analytical presentation of the concepts of ritual and performance generally applied Mary Shaw shows that Mallarm perceived music dance and theater as ideal languages of the body and therefore as ideal forms of ritual through which to supplement and celebrate poetic texts She focuses on previously unexplored references to supplementary extratextual performances in four of Mallarm s major poetic texts *Herodiade* *L apr s midi d un faune* *Igitur* and *Un coup de des* revealing the consistent formal expression of his original conception of literature s relationship to the performing arts Shaw then discusses Mallarm s monumental project *Le Livre* a metaphysical book designed to be performed in a series of ritual celebrations She analyzes and describes the intrinsic structure and contents of this unfinished work as the fullest realization of the text performance relationship elaborated throughout Mallarm s corpus Shaw offers *Le Livre* as a prototype of avant garde performance drawing important parallels between Mallarm s literary experimentation and crucial developments in twentieth century arts **Painting Gender, Constructing Theory** Marcia Brennan,2001

Focusing on the key historical criticism and art works Brennan shows how the identities of all five Stieglitz circle artists were presented in terms of the masculinity and femininity and the heterosexuality and homosexuality thought to be embedded in their work Brennan also discusses Stieglitz s relation to competing artistic and critical movements including Thomas Hart Benton s regionalist art and
