Italian Cinema and Modern European Literatures Carlo Testa,2002-03-30 The history of cinema and notably that of post war Italian cinema can only be understood adequately in the context of other contiguous cultural disciplines World literature including that of France Germany and Russia played a key role in the development of post war Italian film and the cinematic technique it has come to embody Moving away from the

usual modes of defining this period a trajectory that begins with neorealism and ends with Bertolucci author Carlo Testa offers proof that coming to terms with literary texts is an essential step toward understanding the motion pictures they influenced The means of recreating literature for the screen has changed drastically over the last half century as has the impact of different national traditions on Italian cinema Testa's work is the first to explicitly and deliberately link postwar Italian cinema to general intellectual concerns such as the relationship between literary authors and cinematic auteurs Moreover his analysis of the impact of French German and Russian cultures on Italy brings forth a new reading of Italian cinema a new paradigm for exploring complex issues of authorship culture and art *Show People* Michael

Newton, 2019-09-15 *Show People* offers a comprehensive history of the idea of the film star from Mary Pickford to Andy Serkis traversing more than one hundred years and drawing on examples from America Britain Europe and Asia Renowned film writer Michael Newton explores our enduring love affair with fame glamour and the cinematic image Newton builds up an expansive picture of movie stardom through explorations of striking and diverse figures such as Ingrid Bergman and John Wayne Anna Karina and Sidney Poitier Maggie Cheung and Raj Kapoor He celebrates the great performers of the past and he looks forward to developments in the future while also illuminating the inner workings of the movie industry and what moves us in a film and in an actor's performance An encyclopedic illustrated history of film idols ready for their close ups *Show People* is ultimately a book about cinephilia the love of cinema and our complex connection to that celebrated and beleaguered figure the movie star [Heritage Auctions Vintage Movie Poster Auction Catalog #7008, Dallas, TX](#) Grey
