eighty years ago If history is any indicator argues author Tom Osenton we are in the very early stages of the next major crisis one that could make the Great Depression seem like a day at the beach The storm clouds are on the horizon A slowing U S economy major banks failing a weakening dollar the subprime mortgage debacle a widening gap between the wealthy and working class credit delinquencies and bankruptcies on the rise infrastructure crumbling healthcare in crisis the list goes on and on Baby Boomers says Osenton are standing precisely where FDR stood at the beginning of the Great Depression and they are in a unique position to help pull society out of the morass and set the country on a course of growth and contentment for generations to come It s no wonder that most young people do not feel they will be better off than their parents Besides a looming economic crisis we face a number of other crises budget deficit environmental real estate infrastructure education immigration and healthcare Now throw in some unforeseen wild cards such as terrorism war disease poverty homelessness and natural disasters and you have a recipe for a cataclysmic multi generational failure that will take decades and trillions of dollars to fix Boomers are about to move into the role as the elders of an America desperate for leadership It will be Boomers who take responsibility for directing us through the minefield of crises that will profoundly shape the U S for decades to come It will be the Boomers responsibility and their destiny and legacy to lead the U S through a thicket of issues that have been back burnered by at least the last five presidential administrations Full of solutions to seemingly intractable problems Boomer Destiny shows how they can do it

**Press Bias and Politics** Jim A. Kuypers,2002-09-30 Kuypers charts the potential effects the printed presses and broadcast media have upon the messages of political and social leaders when they discuss controversial issues Examining over 800 press reports on race and homosexuality from 116 different newspapers Kuypers meticulously documents a liberal political bias in mainstream news This book asserts that such a bias hurts the democratic process by ignoring non mainstream left positions and vilifying many moderate and most right leaning positions leaving only a narrow brand of liberal thought supported by the mainstream press This book argues that the mainstream press in America is an anti democratic institution By comparatively analyzing press reports as well as the events that occasioned the coverage Kuypers paints a detailed picture of the politics of the American press He advances four distinct reportorial practices that inject bias into reporting offering perspectives of particular interest to scholars students and others involved with mass communication journalism and politics in the United States

**Light at the End of the Tunnel** Andrew J. Rotter,2010-03-16 Of all of the wars in which the U S has been engaged none has been as divisive as the conflict in Vietnam The repercussions of this unsettling episode in American history still resonate in our society Although it ended more than 30 years ago the Vietnam War continues to fascinate and trouble Americans The third edition of Light at the End of the Tunnel gives a full overview of the conflict Starting with Ho Chi Minh s revolt against the French editor Andrew J Rotter takes the reader through the succeeding years as scholars government officials journalists and others recount the important events in the conflict and examine issues that developed during this tumultuous time This book

is essential reading for anyone who has an interest in understanding the Vietnam War. The readings in it will enlighten students about this turning point in the history of the United States and the world. The third edition includes greater coverage of the Vietnamese experience of the war and reflects the growing interest in understanding the war as an international event, not just a bilateral or trilateral conflict.
