**March to Quebec** Kenneth Lewis Roberts, 1938 Depiction of Colonel Benedict Arnold and his companions march from Maine to Quebec for a surprise attack during the Revolutionary War      **Through a Howling Wilderness** Thomas A. Desjardin, 2007-11-13 A great military history about the early days of the American Revolution Thomas A Desjardin s *Through a Howling Wilderness* is also a timeless adventure narrative that tells of heroic acts men pitted against nature s fury and a fledgling nation s fight against a tyrannical oppressor Before Benedict Arnold was branded a traitor he was one of the colonies most valuable leaders In September 1775 eleven hundred soldiers boarded ships in Massachusetts bound for the Maine wilderness They had volunteered for a secret mission under Arnold s command to march and paddle nearly two hundred miles and seize British Quebec Before they reached the Canadian border hundreds died a hurricane destroyed canoes and equipment and many deserted In the midst of a howling blizzard the remaining troops attacked Quebec and almost took Canada from the British simultaneously weakening the British hand against Washington With the enigmatic Benedict Arnold at its center Desjardin has written one of the great American adventure stories      [Patriot on the Kennebec](#) Mark A. York, 2012-02-17 In late 1775 a few months after the first shots of the Revolution were fired Benedict Arnold led more than one thousand troops into Quebec to attack the British there Departing from Massachusetts by the time they reached Pittston Maine they were in desperate need of supplies and equipment to carry them the rest of the way Many patriotic Mainers contributed including Major Reuben Colburn who constructed a flotilla of bateaux for the weary troops Despite his service in the Continental army many blamed Colburn when several of the vessels did not withstand the harsh journey In this narrative the roles played by Colburn and his fellow Mainers in Arnolds march are reexamined and revealed

**Voices Waiting to Be Heard** Stephen Darley, 2021-06-01 Lengthy eyewitness accounts of events in the Revolutionary War are rare The expedition to Quebec led by Benedict Arnold is an exception with 35 such accounts In this book Stephen Darley has compiled 13 unknown journals and 6 pension applications written by men who were participants on that famous march These accounts provide details of the trek through the untamed wilderness of Maine and Canada the New Years Eve assault on Quebec and being held as prisoners in Quebec These personal narratives present the extreme hardships and difficulties each writer experienced being part of a unique and historic march from Cambridge to make Canada the 14th American Colony and deprive the British of its North American base of operations One historian concludes that the march of Hannibal over the Alps has nothing in it of superior merit to the March of Arnold he goes on to conclude that the men who were on the march have been left an heir to oblivion almost unwept unhonored and sung only in a minor key This book will help to understand and appreciate the sacrifices made by its participants      [March to Quebec](#) Kenneth Lewis Roberts, 1942
