Joshua Toulmin Smith

March House:

March House Mary Hocking, 2016-07-14 The arrival of a mysterious new psychiatrist at March House the psychiatric clinic where Ruth works heralds the collapse of her entire world Dr Laver is flamboyant vulgar possibly even unethical but he starts Ruth on an uneasy journey through the past in which she glimpses her parents for the first time as separate people in which her wholesome country life seems filled with madness and pain and in which the happy childhood she thought she had crumbles away to reveal something quite different In the characters who compose Ruth's world her cousin Hilda her mother her father's woman friend Eleanor the mad old lady Miss Maud the author displays all her characteristic wit and her deep understanding of human motivation Mary Hocking charts the transformation in the relationship between father and daughter between Ruth and her colleagues with great subtlety drawing us further and further into this landscape of the mind till the final moving conclusion Irish Church Question. Speech delivered in the House of Commons on March 19, 1869 ...

Corrected. With an appendix John Thomas BALL (Right Hon.), 1869 **Prosecution of Politicide in Ethiopia** Marshet Tadesse Tessema, 2018-09-26 This book investigates the road map or the transitional justice mechanisms that the Ethiopian government chose to confront the gross human rights violations perpetrated under the 17 years rule of the Derg the dictatorial regime that controlled state power from 1974 to 1991 Furthermore the author extensively examines the prosecution of politicicide or genocide against political groups in Ethiopia Dealing with the violent conflict massacres repressions and other mass atrocities of the past is necessary not for its own sake but to clear the way for a new beginning In other words ignoring gross human rights violations and attempting to close the chapter on an oppressive dictatorial past by choosing to let bygones be bygones is no longer a viable option when starting on the road to a democratic future For unaddressed atrocities and a sense of injustice would not only continue to haunt a nation but could also ignite similar conflicts in the future So the question is what choices are available to the newly installed government when confronting the evils of the past There are a wide array of transitional mechanisms to choose from but there is no one size fits all mechanism Of all the transitional justice mechanisms namely truth commissions lustration amnesty prosecution and reparation the Ethiopian government chose prosecution as the main means for dealing with the horrendous crimes committed by the Derg regime One of the formidable challenges for transitioning states in dealing with the crimes of former regimes is an inadequate legal framework by which to criminalize and punish egregious human rights violations With the aim of examining whether or not Ethiopia has confronted this challenge the book assesses Ethiopia's legal framework regarding both crimes under international law and individual criminal responsibility This book will be of great relevance to academics and practitioners in the areas of genocide studies international criminal law and transitional justice Students in the fields of international criminal law transitional justice and human rights will also find relevant information on the national prosecution of politicicide in particular and the question of confronting the past in general Marshet Tadesse Tessema is Assistant Professor of the Law

Neu, 2014-11-28 A man who lived his life mostly in the shadows Edward M House is little known or remembered today yet he was one of the most influential figures of the Wilson presidency Wilson's chief political advisor House played a key role in international diplomacy and had a significant hand in crafting the Fourteen Points at the Paris Peace Conference Though the intimate friendship between the president and his advisor ultimately unraveled in the wake of these negotiations House's role in the Wilson administration had a lasting impact on 20th century international politics In this seminal biography Charles E Neu details the life of Colonel House a Texas landowner who rose to become one of the century's greatest political operators Ambitious and persuasive House worked largely behind the scenes developing ties of loyalty and using patronage to rally party workers behind his candidates In 1911 he met Woodrow Wilson and almost immediately the two formed what would become one of the most famous friendships in American political history House became a high level political intermediary in the Wilson administration proving particularly adept at managing the intangible realm of human relations After World War I erupted House realizing the complexity of the struggle and the dangers and opportunities it posed for the United States began traveling to and from Europe as the president's personal representative Eventually he helped Wilson recognize the need to devise a way to end the war that would place the United States at the center of a new world order In this balanced account Neu shows that while House was a resourceful and imaginative diplomat his analysis of wartime politics was erratic He relied too heavily on personal contacts often exaggerating his accomplishments and missing the larger historical forces that shaped the policies of the warring powers Ultimately as the Paris Peace Conference unfolded differences appeared between Wilson and his counselor Their divergent views on the negotiations led to a bitter split and after the president left France in June of 1919 he would never see House again Despite this break Neu refutes the idea that Wilson and House were antagonists They shared the same beliefs and aspirations and were Neu shows part of an unusual partnership As an organizer tactician and confidant House helped to make possible Wilson's achievements and this impressive biography restores the enigmatic counselor to his place at the center of that presidency Little Women Louisa May Alcott, 2012-02 An abridged version of the classic novel chronicling the joys and sorrows of the four March sisters as they grow into young women in mid nineteenth century New England Harlequin Medical Romance March 2021 - Box Set 2 of 2 Meredith Webber, Emily Forbes, Susan Carlisle, 2021-03-01 Harlequin Medical Romance brings you a collection of three new titles available now Enjoy these stories packed with pulse racing romance and heart racing medical drama This Harlequin Medical
