rhetoric inspired Czolgosz to dare the unthinkable and Theodore Roosevelt the vainglorious vice president whose 1898 charge up San Juan Hill in Cuba is but one of many thrilling military adventures recounted here Rich with relevance to our own era The President and the Assassin holds a mirror up to a fascinating period of upheaval when the titans of industry grew fat speculators sought fortune abroad and desperate souls turned to terrorism in a vain attempt to thwart the juggernaut of change Praise for The President and the Assassin A panoramic tour de force Miller has a good eye trained by years of journalism for telling details and enriching anecdotes The Washington Independent Review of Books Even without the intrinsic draw of the 1901 presidential assassination that shapes its pages Scott Miller s The President and the Assassin is absorbing reading What makes the book compelling is that so many circumstances and events of the earlier time have parallels in our own The Oregonian A marvelous work of history wonderfully written Fareed Zakaria author of The Post American World A real triumph BookPage Fast moving and richly detailed The Buffalo News A compelling read The Boston Globe One of Newsweek s 10 Must Read Summer Books
