Explore Florence with this handy pocket sized authoritative guide packed with insider tips Discover boutique hotels authentic restaurants the city s trendiest places and get tips on shopping and what to do on a limited budget There are plenty of ideas for travel with kids and a summary of all the festivals and events that take place Let Marco Polo show you all that the Florence has to offer     **Florence** Ursula Romig-Kirsch,1998     Marco Polo Laurence Bergreen,2008-10-21 As the first European to travel extensively throughout Asia Marco Polo was the earliest bridge between East and West His famous journeys took him across the boundaries of the known world along the dangerous Silk Road and into the court of Kublai Kahn where he won the trust of the most feared and reviled leader of his day Polo introduced the cultural riches of China to Europe spawning centuries of Western fascination with Asia In this lively blend of history biography and travelogue acclaimed author Laurence Bergreen separates myth from history creating the most authoritative account yet of Polo s remarkable adventures Exceptionally narrated and written with a discerning eye for detail Marco Polo is as riveting as the life it describes     **A-E** John Rylands Library,1899     Key Figures in Medieval Europe Richard K. Emmerson,2013-10-18 From emperors and queens to artists and world travelers from popes and scholars to saints and heretics Key Figures in Medieval Europe brings together in one volume the most important people who lived in medieval Europe between 500 and 1500 Gathered from the biographical entries from the on going series the Routledge Encyclopedias of the Middle Ages these A Z biographical entries discuss the lives of over 575 individuals who have had a historical impact in such areas as politics religion or the arts Individuals from places such as medieval England France Germany Iberia Italy and Scandinavia are included as well as those from the Jewish and Islamic worlds A thematic outline is included that lists people not only by categories but also by regions For a full list of entries contributors and more visit the Routledge Encyclopedias of the Middle Ages website     *Marco Polo der grosse Abenteurer. Marco Polo, the great adventurer ... Translated by Isabel and Florence McHugh* Hildegard BLUNCK,1966     **Geographers** Geoffrey Martin,2015-12-14 Geographers is an annual collection of studies on individuals who have made major contributions to the development of geography and geographical thought Subjects are drawn from all periods and from all parts of the world and include famous names as well as those less well known including explorers independent thinkers and scholars Each paper describes the geographer s education life and work and discusses their influence and spread of academic ideas Each study includes a select bibliography and a brief chronology The work includes a general index and a cumulative index of geographers listed in volumes published to date Published under the auspices of the International Geographical Union     **Medieval Ethnographies** Joan-Pau Rubies,2017-05-15 From the twelfth century a growing sense of cultural confidence in the Latin West at the same time that the central lands of Islam suffered from numerous waves of conquest and devastation was accompanied by the increasing importance of the genre of empirical ethnographies From a a global perspective what is most distinctive of Europe is the genre s long term impact rather than its mere empirical potential or its ethnocentrism all of which can also be found in China and in Islamic cultures Hence what

needs emphasizing is the multiplication of original writings over time their increased circulation and their authoritative status as a scientific discourse The empirical bent was more characteristic of travel accounts than of theological disputations in fact the less elaborate the theological discourse the stronger the ethnographic impulse although many travel writers were clerics This anthology of classic articles in the history of medieval ethnographies illustrates this theme with reference to the contexts and genres of travel writing the transformation of enduring myths ranging from oriental marvels to the virtuous ascetics of India or Prester John the practical expression of particular encounters from the Mongols to the Atlantic and the various attempts to explain cultural differences either through the concept of barbarism or through geography and climate

Byzantium and Venice Donald M. Nicol, 1992-05-07 This book the first of this scope to have been published traces the diplomatic cultural and commercial links between Constantinople and Venice from the foundation of the Venetian republic to the fall of the Byzantine Empire It aims to show how especially after the Fourth Crusade in 1204 the Venetians came to dominate first the Genoese and thereafter the whole Byzantine economy At the same time the author points to those important cultural and above all political reasons why the relationship between the two states was always inherently unstable

*Travel and Ethnology in the Renaissance* Joan-Pau Rubiés, 2002-09-05 This book first published in 2000 offers a wide ranging and ambitious analysis of how European travellers in India developed their perceptions of ethnic political and religious diversity over three hundred years It analyses the growth of novel historical and philosophical concerns from the early and rare examples of medieval travellers such as Marco Polo through to the more sophisticated narratives of seventeenth century observers religious writers such as Jesuit missionaries or independent antiquarians such as Pietro della Valle The book's approach combines the detailed contextual analysis of individual narratives with an original long term interpretation of the role of cross cultural encounters in the European Renaissance An extremely wide range of European sources is discussed including the often neglected but extremely important Iberian and Italian sources However the book also discusses a number of non European sources Muslim and Hindu thereby challenging simplistic interpretations of western orientalism

Fractured Renaissance Tales of Old George Carpetto, 2001-04 It's near the end of the world and the Church intelligentsia concurs The darkness in man's soul is terrifying the whole of Christendom where prophets and theologians have lost control As the world inexorably approaches the year 1500 anxieties deepen at a staggering pace Who will save the world If today someone were to shout from the rooftops imploring us to love our Mother Earth before it's too late would we listen Prophets come in many forms and often speak our language Their words are comprehensible but their meaning is not Prophecy is serious business Often the prophet is taken for the fool the eccentric saint or the madman who's half blind and sees things we do not Or could it be the old lady who walks her dog ten times a day apparently mumbling words to deaf ears while her Parkinsonian hand keeps trembling to the beat of a truth no one wants to hear Prophecy is dangerous If we listen then we too might be crazy like the fool the saint the half blind man and the old lady with her dog

Prophecy is not for me I ll just sit in my poop and play it safe      **Bazaar to Piazza** Rosamond E. Mack,2002 From Italian textiles featuring Islamic and Asian motifs to ceramics and glassware that reflected Syrian techniques and ornamental concepts this book gives an extraordinary view of the influence of imported Oriental goods in Italy over three crucial centuries of artistic development from 1300 to 1600      Dresden Marco Polo Guide Marco Polo,2014-05-28 Most travellers want to have fun and feel relaxed from the moment they arrive at their holiday destination that s what Marco Polo Guides are all about This new series will appeal to all types of travellers including those who haven t bought a travel guide in the past Marco Polo s unique insider tips are peppered throughout the guide offering a real insight into the destination Includes special tips for when it rains things to do for free chill out and relax Where to start tells the reader the ideal starting point to explore the city destination how to get there by car or public transport where to park the car and much more The perfect day perfect route the best way to get to know a destination for those with limited time Practical information on shopping food and drink and much more plus a phrasebook section Also includes a fully indexed street atlas AND a pull out map And the best bit all this for only 5 99      *DK Eyewitness Travel Guide Italy* ,2014-10-01 The DK Eyewitness Travel Guide Italy is your indispensable guide to this beautiful part of the world This fully updated guide will lead you straight to the best attractions Italy has to offer from touching the stones of the Colosseum in Rome to gazing up at Michelangelo s David in Florence to slurping gelato along the canals of Venice Inside this guide you ll find DK s famous cutaway illustrations of major architectural and historic sights museum floor plans and 3 D aerial views of key districts to explore on foot along with in depth coverage of the city s history and culture Maps are marked with sights from the guidebook and include street finder guides for Florence Rome and Venice This uniquely visual DK Eyewitness Travel Guide will help you discover everything region by region from local festivals and markets to day trips around the countryside Detailed listings will guide you to the best hotels restaurants bars and shops for all budgets while detailed practical information will help you to get around whether by train bus or car Plus DK s excellent insider tips and essential local information will help you explore every corner of Italy effortlessly      **Munich Marco Polo Guide** Karl Forster,Amadeus Danesitz,Astrid Dobmeier,Alex Wulkow,2013-01-02 Marco Polo Guides are packed with unique insider tips Straightforward information is presented in an engaging format which will appeal to the young and the young at heart Includes a street atlas and a separate pull out map
