*Marco Polo's Tears* Andrew Jotischky,1989      **Marco Polo** George Makepeace Towle,1880      *The Tender Heart* Kristy Dykes,2012-11-01 Sebbie s first loyalty is to her mother and sisters All of the Hanford women are struggling to keep their Florida ranch running after the death of their husband and father Jed In the face of dire poverty Mama decides that Sebbie must marry a wealthy man who can also provide for her four younger sisters Sebbie reluctantly agrees but then meets Griffin Parks A tall handsome gentleman Unfortunately he s a penniless cowboy just like Sebbie s father Will she deny her love for Griffin and encourage the attentions of the local banker s son Or will her tender heart discover a path that leads to her family s well being and a love for all eternity      **Tear Down This Wall** Romesh Ratnesar,2009-11-03 On June 12 1987 Ronald Reagan addressed a crowd of 20 000 people in West Berlin in the shadow of the Berlin Wall The words he delivered that afternoon would become among the most famous in presidential history Mr Gorbachev open this gate Reagan said Mr Gorbachev tear down this Wall In this riveting and fast paced book Romesh Ratnesar provides an account of how Reagan arrived at his defining moment and what followed from it The book is based on interviews with numerous former Reagan administration officials and American and German eyewitnesses to the speech as well as recently declassified State Department documents and East German records of the president s trip Ratnesar provides new details about the origins of Reagan s speech and the debate within the administration about how to issue the fateful challenge to Gorbachev Tear Down This Wall re creates the charged atmosphere surrounding Reagan s visit to Berlin and explores the speech s role in bringing about the fall of the Berlin Wall less than two years later At the heart of the story is the relationship between two giants of the late twentieth century Ronald Reagan and Mikhail Gorbachev Departing from the view that Reagan won the Cold War Ratnesar demonstrates that both Reagan and Gorbachev played indispensable roles in bringing about the end of the U S Soviet rivalry It was the trust that Reagan and Gorbachev built in each other that allowed them finally to overcome the suspicions that had held their predecessors back Calling on Gorbachev to tear down the Wall in Reagan s mind might actually encourage him to do it Reagan s speech in Berlin was more than a good sound bite Twenty years after the fall of the Berlin Wall we can now see the speech as the event that marked the beginning of the end of the Cold War Elegant and dramatic Tear Down This Wall is the definitive account of one of the most memorable speeches in recent history and a reminder of the power of a president s words to change the world      Tearing Up the Silk Road Tom Coote,2022-07-01 Tearing up the Silk Road is an irreverent travelogue that details a journey along the ancient trade routes from China to Istanbul through Central Asia Iran and the Caucasus As Tom Coote struggles through the often arbitrary borders and bureaucracies of China Kazakhstan Uzbekistan Turkmenistan Iran Armenia Georgia and Turkey it becomes increasingly apparent that the next generations to rise to power will see themselves in a very different light to their predecessors in an increasingly interconnected world archaic conceptions of race ethnicity and nationalism will come to be seen as increasingly irrelevant

Instead new forms of identity are emerging founded more upon shared cultural preferences and aspirations than on the remnants of tribal allegiance While rushing through from East to West Tom Coote meets befriends and argues with an epic range of characters from soldiers and monks to pilgrims travellers and modern day silk road traders All are striving for something more and most dream of being somewhere else By bus train and battered car through deserts open plains and mountain ranges we find ourselves again and again at the front line of a desperate war for hearts and minds Through rapidly expanding megacities to ancient ruins and far more recently created wastelands it is the West that is winning the souls while the East grows ever stronger The real clash of civilisations however seems set to be not between the East and the West but between the few who have so much and the masses now uniting to demand so much more [The Prisoner of Genoa](#) Miklós Rónaszegi,2024-05-29 Marco Polo is one of the most fascinating and enigmatic figures in world history At just 17 years of age he set off for the Far East with his father and uncle Long presumed dead he returned from the distant land of the Tatars after 24 years not only with a fortune in treasure but with a wealth of stories and adventures besides The tales of his adventures might well have gone with him to the grave had not war broken out between the two great trading powers Venice and Genoa The decisive battle took place off the island of Curzola reputed to be the home of the Polo family Marco Polo's house is a popular tourist attraction on the island which now belongs to Croatia The naval battle was won by the Genoese fleet Most of the Venetian galleys were destroyed and the wealthiest citizens of Venice were taken prisoner While in prison in Genoa Marco Polo dictated the story of his adventures in the Far East to a fellow captive Rusticiano da Pisa For centuries explorers and world travellers relied on the resulting account as their bible In 1981 Rónaszegi's exciting educational novel won a Hungarian literary prize awarded to mark International Children's Year [www.ronaszegimiklos.com](http://www.ronaszegimiklos.com) **Messer Marco Polo** Donn Byrne,1922 Novel concerning Marco Polo's trip to China *Mediocre* Julie McCulloch Burton,2013-02-25 Drawing on a lifetime of experiences author Julie McCulloch Burton shares a compilation of short stories and vignettes that reflect her self deprecating sense of humor and her positive outlook on life turning ordinary moments into meaningful lessons Including personal photographs of a wide range of subjects food flowers animals people landscapes seasons studies in lines and studies in water movement *Mediocre* also presents a varied collection of writings many of which originated as e-mails to family and friends Burton offers narratives relaying the realities and absurdities of humorous everyday situations accounts of what it's like to live with multiple sclerosis favorite family recipes philosophical thoughts poetry and reflections on moments in life when you wish you had thought things through just a little bit more In *Mediocre* Burton provides enlightenment about an ailment that does not define her entertains with the humor that does and teaches that the object of this game is not only to do your best on your best day but also to do your best on your worst day **Boom Chicago Presents the 30 Most Important Years in Dutch History** Andrew Moskos,Pep Rosenfeld,Matt Diehl,Saskia Maas,2025-07-01 An exciting history of the improv group you've never heard of that changed comedy in America this is the story of Boom Chicago in Amsterdam as told

If I Don't Laugh, I'll Cry Molly Stillman, 2024-03-26 In this laugh out loud and heartfelt memoir writer speaker and podcaster Molly Stillman shares her unforgettable story of losing her mother squandering an unexpected quarter of a million dollar inheritance in less than two years attempting to launch a career in comedy but ending up on a farm instead and finding faith hope and joy in the middle of it all Molly Stillman has lived the type of life that when shared people stop in their tracks and ask Wait what happened Molly's mother Lynda Van Devanter Buckley served as an Army nurse during the Vietnam War and wrote the bestselling memoir *Home Before Morning* When Molly was seventeen Lynda passed away after an eight year battle with an autoimmune disorder due to her exposure to Agent Orange Four years later Molly turned twenty one and unexpectedly inherited a quarter of a million dollars from her mother's estranged family's estate Through retail therapy and a long series of grossly irresponsible financial decisions Molly found herself broke with over 36 000 in credit card debt less than two years later Shame guilt and embarrassment set in With aspirations of a career in comedy Molly used humor to mask the pain and brokenness she felt believing that if she looked joyful and put together on the outside it would eventually be true on the inside Instead she spent the next few years depressed lonely and feeling alienated from those closest to her But an unlikely call with a compassionate credit counselor meeting the spreadsheet loving man who eventually became her husband and a surprising visit to a church started her on a path that changed everything If I Don't Laugh I'll Cry will bring readers into the tension of feeling both joy and grief and show them that every broken messed up story has a purpose and it is possible to gain everything if they're willing to surrender it all to Jesus

Reload Mary Flanagan, Austin Booth, 2002-05-03 An anthology of feminist cyberfiction and theoretical and critical writings on gender and technoculture Most writing on cyberculture is dominated by two almost mutually exclusive visions the heroic image of the male outlaw hacker and the utopian myth of a gender free cyberworld Reload offers an alternative picture of cyberspace as a complex and contradictory place where there is oppression as well as liberation It shows how cyberpunk's revolutionary claims conceal its ultimate conservatism on matters of class gender and race The cyberfeminists writing here view cyberculture as a social experiment with an as yet unfulfilled potential to create new identities relationships and cultures The book brings together women's cyberfiction fiction that explores the relationship between people and virtual technologies and feminist theoretical and critical investigations of gender and technoculture From a variety of viewpoints the writers consider the effects of rapid and profound technological change on culture in particular both the revolutionary and reactionary effects of cyberculture on women's lives They also explore the feminist implications of the cyborg a human machine hybrid The writers challenge the conceptual and institutional rifts between high and low culture which are embedded in the texts and artifacts of cyberculture

Strange matter Martin Bleisteiner, Jan-Peer Hartmann, Andrew James Johnston, 2025-09-02 Strange matter offers exciting new perspectives on the premodern fascination with materiality and the various ways in which the Middle Ages and subsequent periods experienced things in time Drawing on a wide selection of examples that range from medieval texts and artefacts of both European and non European origin to Macbeth s highly evocative meditation on bubbles the essays compiled in this volume look beyond the confines of the Anglophone world As they engage critically with the specific temporal otherness modernity has so often ascribed to medieval texts and artefacts the contributors also enter into productive dialogue with recent trends in criticism such as thing studies and the growing field of object biographies in cultural studies and museology

Eugene O'Neill's Creative Struggle Doris Alexander, 2010-11 In Eugene O'Neill s Creative Struggle Doris Alexander gives us a new kind of inside biography that begins where the others leave off It follows O'Neill through the door into his writing room to give a blow by blow account of how he fought out in his plays his great life battles love against hate doubt against belief life against death to an ever expanding understanding It presents a new kind of criticism showing how O'Neill s most intimate struggles worked their way to resolution through the drama of his plays Alexander reveals that he was engineering his own consciousness through his plays and solving his life problems while the tone imagery and richness of the plays all came out of the nexus of memories summoned up by the urgency of the

problems he faced in them By the way of O'Neill this study moves toward a theory of the impulse that sets off a writer's creativity and a theory of how that impulse acts to shape a work not only in a dramatist like O'Neill but also in the case of writers in other mediums and even of painters and composers The study begins with *Desire Under the Elms* because that play's plot was consolidated by a dream that opened up the transfixing grief that precipitated the play for O'Neill and it ends with *Days Without End* when he had resolved his major emotional philosophical struggle and created within himself the voice of his final great plays Since the analysis brings to bear on the plays all of his conscious decisions ideas theories as well as the life and death struggles motivating them documenting even the final creative changes made during rehearsals this book provides a definitive account of the nine plays analyzed in detail *Desire Under the Elms* *Marco Millions* *The Great God Brown* *Lazarus Laughed* *Strange Interlude* *Dynamo* *Mourning Becomes Electra* *Ah Wilderness* and *Days Without End* with additional analysis of plays written before and after
