unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

(Maud Isabel) Ebbutt,2020-10-27 Hero Myths hence it often happens that one person sees in a legend only the central heroism while another sees only the inartistic details of medi val life which tend to disguise and warp the heroic quality It

may be that to some people the heroes I have chosen do not seem heroic but there is no doubt that to the age and generation which wrote or sang of them they appeared real heroes worthy of remembrance and celebration and it has been my object to come as close as possible to the medi val mind with its elementary conceptions of honour loyalty devotion and duty I have therefore altered the tales as little as I could and have tried to put them as fairly as possible before modern readers bearing in mind the altered conditions of things and of intellects to day Hero-Myths & Legends of the British Race M. 1867-
