Myths For The Masses:

Myths for the Masses Hanno Hardt, 2008-04-15 With a lively and engaging style *Myths for the Masses* provides a critical interdisciplinary and historically informed statement about communication in contemporary life Written by Hanno Hardt one of the world's leading authorities on the subject Offers a comprehensive appraisal of mass communication Provides a critical perspective on media and communication in society Contains critical insights into the state of mass communication democracy and the construction of the self in society **A Christian guide to Mass-Media Mythology, Form #09.072** Sheldon Emry, 2020-02-06 **Cassirer and Langer on Myth** William Schultz, 2013-09-13 This book provides a detailed overview of the approach by two of the leading philosophical theorists of myth [The Handbook of Media and Mass Communication Theory, 2 Volume Set](#) Robert S. Fortner, P. Mark Fackler, 2014-05-05 The Handbook of Media and Mass Communication Theory presents a comprehensive collection of original essays that focus on all aspects of current and classic theories and practices relating to media and mass communication Focuses on all aspects of current and classic theories and practices relating to media and mass communication Includes essays from a variety of global contexts from Asia and the Middle East to the Americas Gives niche theories new life in several essays that use them to illuminate their application in specific contexts Features coverage of a wide variety of theoretical perspectives Pays close attention to the use of theory in understanding new communication contexts such as social media 2 Volumes *The Myth of the Mass and the Individual in the Thought of Nietzsche, Heidegger, and Foucault* Jill Elizabeth Hargis, 2005 **Mass Society** Salvador Giner, 2013-10-22 Mass Society deals with the total outlook of human including modern politics culture social inequality community life and problems The book reviews the history of democracy and discontent The text analyzes the mob rule the disenchantment of progress and the history of democracy Modern sociological theory explains the opposition of two extreme societal models to describe the historical dynamics of mankind The book is an attempt to explain that a mass society outlook exists and has some inner coherence and distinctive quality The author argues that such outlook or theory is a prominent feature in the cultural imagination of man and that modern secular society cannot be understood without such theory The author then proceeds to identify majority with mass and the identification of human with mass human This identification will lead to a community vision though the author argues the growth of a mass interpretation of society has a negative effect on the liberal theory of the individual The text can be interesting for political science majors sociologists psychologists and economists [Nihilist Order](#) Professor David Ohana, 2016-04-19 The explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers cultural critics political theorists engineers architects and aesthetes long before it materialised in flesh and blood not only in technology but also in fascism Nazism bolshevism and radical European political movements The Nihilist Order originally published in three hardcover volumes and now published in a consolidated paperback edition with an encompassing new Introduction inspired excellent review endorsements both amongst the

academic and public spheres and has been heralded as a great achievement in European intellectual and cultural history
