Knight, 2007 In some parts of the world it seems the Seventh day Adventist Church is in danger of settling down into a social club That is unless it remembers its mission With growing secularization disorientation and institutionalism how can the church maintain its identity How is the church to function considering it was founded on the belief that time is short yet time keeps going on Not just for church administrators and academics this is a call to duty to all church members a call to become a church alive with passion and purpose Let these pages reinvigorate you with fresh thoughts about the Adventist mission and how to accomplish it Because the world doesn t need another social club It needs to hear God s message **Meeting Ellen White** George R.
