Skinner,2018-05-02 An attempt has been made in this work to assemble only legends for certain occurrences that are taught in history like the story of Captain Smith and Pocahontas The bibliography of American legends is slight and these tales were gathered from diverse sources records histories newspapers magazines oral narrative in every case reconstructed We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience      **Myths and Legends of Our Own Land V2 (1896)** Charles M.
