Peninsula and the Gulf Country Jean-Christophe Verstraete, Diane Hafner, 2016-02-18 This volume offers a state of the art survey of linguistic anthropological archaeological and historical work focused on Cape York Peninsula and the Gulf Country in Australia s northeast The volume also honours Bruce Rigsby emeritus professor of anthropology at the University of Queensland whose work has inspired all of the contributors The papers in the volume are organized in terms of five key themes including the use of historical and archaeological methods to reconstruct aspects of language and social organization anthropological and linguistic work uncovering aspects of world view embedded in languages and ethnographic data sets the

study of post contact transformations in language and society and the return of archival data to communities Its thematic intersections draw together the varied disciplinary threads in an overview of the cultures and languages of the region and will appeal to all those interested in Australian Aboriginal studies linguistics anthropology and associated disciplines

Psychoanalytic Perspectives on Identity and Difference Brent Willock, Lori C. Bohm, Rebecca Coleman Curtis, 2016-11-10 Every day clinicians encounter challenges to empathy and communication while struggling to assist patients with diverse life histories character sexuality gender psychopathology cultural religious political racial and ethnic backgrounds Most writing pertaining to ideas of similarity discrepancy and the Other has highlighted differences Psychoanalytic Perspectives on Identity and Difference Navigating the Divide offers a different focus emphasising points of contact connection and how divisions between people can be transcended In depth case material astutely elucidated by diverse theoretical approaches furnishes stimulating ideas and valuable suggestions for facilitating a meeting of minds and psychological growth in patients who might otherwise be difficult or impossible to engage Exploring how psychoanalysts can navigate obstacles to understanding and communicating with suffering individuals topics covered include internal experience of likeness and difference in the patient in the analyst and how analysts can find echoes of themselves in patients Psychoanalysts and psychotherapists will appreciate the importance and value of this wide ranging groundbreaking exploration of these insufficiently addressed dimensions of human experience

They Shimmer Within: Cognitive-Evolutionary Perspectives on Visionary Beings Bruce Rimell, 2018-01-19 The use of psychedelic drugs plants is rising and with it the number of reports narrating encounters with otherworldly visionary beings Approaches to these experiences have often been literal archetypal or dismissive Evolutionary psychology and the cognitive science of religion suggest innate and non imagistic mental foundations for these phenomena arising from easily triggered evolutionary functions during emotive periods of high cognitive demand Such functions include agent detection social intelligence faculties and metacognition This wide ranging book explores how our deepest mental processes predispose us as humans to believe in supernatural agents and presents a new hypothesis of how these same cognitions facilitate the emergence of those agents to become present when psychedelic drugs and plants are ingested Bruce concludes that visionary beings shimmer within as awe inspiring products of the mind an experience which rests at the heart of what it is to be human

A Theology of Land Christopher Gerard Sexton, 2019-07-01 On the face of things the spirituality of Australia s Aboriginals is hard to reconcile with a spirituality of Christian theology with its human centrism apt to a Son of God in Man made flesh in Jesus Christ Nevertheless this author Christopher Sexton a Sydney based lawyer drew on his deep Catholic theological beliefs and intense dialogue with Aboriginal elders to find a surprisingly common ground and in abundance The creation stories of each lay emphasis on humanity s stewardship for the search and its mystical riches Here is a book by a Christian lawyer who consulted widely and deeply with our First People s He found more in common between our distinct spiritualities than might be expected Proving once again

that listening deeply to each other will often yield common ground *Social Ecology* David Wright,2013-03-27 Social ecology provides a holistic framework for change based on the interrelationships between the personal social environmental and spiritual It helps understand how we got here and how to realise more sustainable caring futures Students from all disciplines can use this valuable resource to help to enrich their learning with insights and principles from social ecology
