# Mythwaking Homeric Hymns A Modern Sequel

**Andrew Lang, Andrew Homer**

## **Mythwaking Homeric Hymns A Modern Sequel:**

**Broken and Reset** Vincent Barrett Price, 2007 These poems reveal Price's healing from the crippling traps of childhood and the rejection of the conformity required by modern American life

**Mythwaking** Vincent Barrett Price, 2004 *The Homeric Hymns* Andrew Faulkner, 2011-06-30 This is the first collection of scholarly essays on the Homeric Hymns a corpus of 33 hexameter poems celebrating gods that were probably recited at religious festivals among other possible performance venues and were frequently attributed in antiquity to Homer After a general introduction to modern scholarship on the Homeric Hymns the essays of the first part of the book examine in detail aspects of the longer narrative poems in the collection while those of the second part give critical attention to the shorter poems and to the collection as a whole The contributors to the volume present a wide range of stimulating views on the study of the Homeric Hymns which have attracted much interest in recent years

[The Homeric Hymns](#), 2004-08-02 A rich source for students of Greek mythology and literature the Homeric hymns are also fine poetry Attributed by the ancients to Homer these prooimia or preludes were actually composed over centuries and used by poets to prepare for the singing or recitation of longer portions of the Homeric epics In his acclaimed translations of the hymns Apostolos Athanassakis preserves the essential simplicity of the original Greek offering a straightforward line by line translation that makes no attempts to masquerade or modernize For this long awaited new edition Athanassakis enhances his classic work with a comprehensive index careful and selective changes in the translations themselves and numerous additions to the notes which will enrich the reader's experience of these ancient and influential poems

*Traditional Themes and the Homeric Hymns* Cora Angier Sowa, 1984 A thorough analysis of the mechanics of the language of Homer as used in the Iliad and the Odyssey

*The Homeric Hymns - Publishing People Series* Andrew Lang, 2020-11-02 The Hymn to Apollo presents innumerable difficulties both of text which is very corrupt and as to the whole nature and aim of the composition In this version it is divided into two portions the first dealing with the birth of Apollo and the foundation of his shrine in the isle of Delos the second concerned with the establishment of his Oracle and fane at Delphi The division is made merely to lighten the considerable strain on the attention of the English reader I have no pretensions to decide whether the second portion was by the author of the first or is an imitation by another hand or is contemporary or a later addition or a mere compilation from several sources The first part seems to find a natural conclusion about lines 176-181 The blind singer appears at that point to say farewell to his cherished Ionian audience What follows in our second part appeals to hearers interested in the Apollo of Crisa and of the Delphian temple the Pythian Apollo

*The Homeric Hymns* Homer, 1989

[The Homeric Hymns](#) Diane J. Rayor, 2014-03-14 The Homeric Hymns have survived for two and a half millennia because of their captivating stories beautiful language and religious significance Well before the advent of writing in Greece they were performed by traveling bards at religious events competitions banquets and festivals These thirty-four poems invoking and celebrating the gods of ancient Greece raise questions that humanity still struggles with

questions about our place among others and in the world Known as Homeric because they were composed in the same meter dialect and style as Homer's Iliad and Odyssey these hymns were created to be sung aloud In this superb translation by Diane J Rayor which deftly combines accuracy and poetry the ancient music of the hymns comes alive for the modern reader Here is the birth of Apollo god of prophecy healing and music and founder of Delphi the most famous oracular shrine in ancient Greece Here is Zeus inflicting upon Aphrodite her own mighty power to cause gods to mate with humans and here is Demeter rescuing her daughter Persephone from the underworld and initiating the rites of the Eleusinian Mysteries This updated edition incorporates twenty eight new lines in the first Hymn to Dionysos along with expanded notes a new preface and an enhanced bibliography With her introduction and notes Rayor places the hymns in their historical and aesthetic context providing the information needed to read interpret and fully appreciate these literary windows on an ancient world As introductions to the Greek gods entrancing stories exquisite poetry and early literary records of key religious rituals and sites the Homeric Hymns should be read by any student of mythology classical literature ancient religion women in antiquity or the Greek language

The Homeric Hymns Andrew Lang, 2022-09-15 In The Homeric Hymns Andrew Lang presents an illuminating collection of ancient Greek hymns dedicated to various gods and divine figures traditionally attributed to Homer Lang's literary style is characterized by its elegant prose and meticulous attention to the nuances of the original texts which allows for a rich exploration of themes such as piety human divine interaction and the cultural significance of myths Set against the backdrop of the oral traditions that predate and inform much of classical literature this collection not only serves as a testament to the artistry of early Greek poetry but also enriches our understanding of the religious and social fabric of ancient Greece Andrew Lang a Scottish poet novelist and folklorist was deeply immersed in the study of mythology and comparative literature His extensive background in classical texts combined with his passion for folklore propelled him to collect and translate these hymns making them accessible to a contemporary audience Lang's scholarly endeavors including his work on the Blue Fairy Book series were fueled by a desire to preserve and illuminate the cultural heritage of diverse traditions establishing him as a pivotal figure in the field of folklore studies I highly recommend The Homeric Hymns to readers eager to delve into the foundational myths of Western literature Lang's adept translations breathe new life into these ancient verses making them both approachable and thought provoking This collection not only enhances one's appreciation of Greek mythology but also invites readers to reflect on the timeless connection between humanity and the divine

**The Homeric Hymns**, 2012-02-15 This is a collection of the standard texts of ancient Greek which are important components of what we know about Greek myth religion language and culture All of the works collectively known as the Homeric Hymns are collected and translated here in their entirety and the work includes ample notes and an introduction to provide information on the works historic importance a chronological table genealogical chart maps of Greece and the Aegean Islands and illustrations of vase paintings with mythological themes This edition is part of the Focus Classical Library

**The Reception**

**of the Homeric Hymns** Andrew Faulkner, Athanassios Vergados, Andreas Schwab, 2016 The Reception of the Homeric Hymns is a collection of original essays exploring the reception of the Homeric Hymns in the literature and scholarship of the first century BC and beyond particularly texts and authors of the late Hellenistic Imperial and Late Antique periods The Homeric Hymns Susan Chadwick Shelmerdine, 1995 English translation of all the Homeric Hymns with notes and introductions *Chapman's Homeric Hymns and Other Homerica* Homer, 2008 George Chapman's translations of Homer are the most famous in the English language This text presents the original text of Chapman's translation of the Homeric hymns

**The Homeric hymns** Homer, 1904 *The Homeric Hymns A New Prose Translation; and Essays, Literary and Mythological* Lang Andrew, 2016-06-23 The Homeric Hymns - Original Edition Andrew Lang, 2020-11-24 To the English reader familiar with the Iliad and Odyssey the Hymns must appear disappointing if he come to them with an expectation of discovering merits like those of the immortal epics He will not find that they stand to the Iliad as Milton's Ode to the Nativity stands to Paradise Lost There is in the Hymns in fact no scope for the epic knowledge of human nature in every mood and aspect We are not so much interested in the Homeric Gods as in the Homeric mortals yet the Hymns are chiefly concerned not with men but with Gods and their mythical adventures However the interest of the Hymn to Demeter is perfectly human for the Goddess is in sorrow and is mingling with men The Hymn to Aphrodite too is Homeric in its grace and charm and divine sense of human limitations of old age that comes on the fairest as Tithonus and Anchises of death and disease that wait for all The Homeric hymns, tr. into Engl. prose by J. Edgar Homer, 1891 The Homeric Hymns Andrew Lang, Andrew Homer, 2018-10-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Homeric Hymns; a Verse Translation**, 1973 The Homeric Hymn to Hermes Julia Haig Gaisser, 1983 Bryn Mawr Commentaries provide clear concise accurate and consistent support for students making the transition from introductory and intermediate texts to the direct experience of ancient Greek and Latin literature They assume that the student will know the basics of grammar and vocabulary and then provide the specific grammatical and lexical notes that a student requires to begin the task of interpretation Hackett Publishing Company is the exclusive distributor of the Bryn Mawr Commentaries in North America the United Kingdom and Europe
