Mzungu Mjinga Swahili For Crazy White Man:

Mzungu Mjinga Rick Boyer, 2004 A humorous yet informed view of the African safari experience is evoked in Rick Boyer's foray into creative nonfiction. An autobiographical look at the myth of the Great White Hunter, this tale provides an insightful look into the meeting of two cultures that has become big business: the safari as a subculture within Africa's vast expanse of uninhabited land. Providing a broader understanding of the environment and politics of Africa, the self-deprecating tale presents a keen depiction of the African landscape and the people met on the way to a final showdown with a Cape buffalo.

Amani Haki Yetu Adam Hummel, 2014-04-23 On December 30, 2007, President Mwai Kibaki was declared the winner of Kenya's presidential election. Within minutes of this declaration, rioting erupted across Kenya from the coast of the Indian Ocean to the banks of Lake Victoria. These riots lasted two months, claiming the lives of nearly 1,500 Kenyans and leaving more than half a million internally displaced. Hostility to this extent not seen in Kenya's modern history illustrated the divisive nature of Kenya's tribalism and left an entire generation questioning whether Kenya would once again become one of Africa's most peaceful nations. Realizing the role they had in ensuring a peaceful future, Kenya's youths, who comprise a majority of the population, began to lead, and grassroots organizations soon began to materialize throughout Kenya's countryside. This book details the efforts made by one such group of Kenyan youths who, together with a young Canadian, came together with the goal of helping to build a sustainable peace in Kenya. It details the background to Kenya's 2008 post-election violence, the early efforts leading to the formation of the Youth Ambassadors for Peace, and steps taken to engage both the potential and ability of those who wish to help. Through youth empowerment and the belief that diversity creates strength, these Kenyans demonstrate the power of a small group of thoughtful and dedicated individuals united by their desire to find peace before Kenya's next elections are held in March 2013.
