Sex Tourism on the Kenyan Coast Rose Omondi, Chris Ryan, 2024-08-28 This book challenges many suppositions surrounding sex tourism suggesting that elderly males who seek romance and are caught up in their fantasies of finding love with exotic black women are taken advantage of even while the women are often deluding themselves when searching for the mzungu who will enable them to fulfil their dreams of travel house ownership and comfort It is a complex story based on research into the lives of the sex workers obtained from a study conducted over 12 months in the bars and nightclubs of the Kenyan coast Fortunes are made and lost but the tragedy is that the success of the few in achieving their dreams becomes a false promise for the majority who seek to emulate the success of the few The book will be of immense value to those interested in gender studies and indeed those who hold an interest in the complexities of sex work *My Name is not Mzungu* Lars Peter Jensen, 2023-06-22 A hopefully reasonably coherent string of tales about the odd funny exhilarating and at times sad experiences I have survived through many years in Africa From a childhood and teenage years in Tanzania and then around many countries in Africa until today where I am still fortunate to live work and travel around this incredible continent I have endeavoured to let the characters I have met along the way be the thread that carries the reader through the abundance of colour music pure human energy and determination to succeed which constantly confronts the observer in Africa Restless and aimless but with highs of love and lows of broken promises some dreams came true others not My relationship with Africa is complicated The Africa that will never let go of me *THE BREWERY OWNER'S WIFE* TERRY THORP, 2013-09-17 Set in Kenya 1930 the story continues to follow the lives of the two main characters Harry and Una introduced in Book 1 *The Lion in the Morning* Una struggles to deal with the aftermath of the assault made on her by Lord Crofton and at the same time face up to the reality of her relationship with Rachel Harry participates in a hunting safari with unexpected consequences Segge Harry's Maasai blood brother starts on a journey to his ancestral lands in Ethiopia hoping in the process to expunge the shame of his circumcision ceremony Several new characters are introduced Louise the daughter of a wealthy Chicago newspaper owner her sister Dorothy and a Washington Post newspaper reporter Tom Reynolds **Just Another Mzungu Passing Through** Jim Bowen, 2008 Set in Kenya during 1996 this engaging novel tells the story of Griff who takes a job teaching at a small struggling school in Nairobi But how does a naive and privileged mzungu fit in Throughout his tale he will endure El Nino floods bulldozed slums street justice and widespread corruption all while trying to figure out his place Email from Ngeti James H. The Adventures of a Mzungu David Ardron, 2016-11-07 The Adventures of a Mzungu takes a light hearted look at the ups and downs of travelling and working in Africa as seen through the eyes of a bewildered novice who had never before wandered outside of the UK Travel with David on his first visit to a Nairobi shanty town where he is startled by a Masai security guard has his first taste of African public transport and survives an encounter with a water buffalo Along the way David experienced adventures on aeroplanes at airports on prison and hospital visits

when he came face to face with an ostrich and when he tried his hand at driving in crazy African traffic Rules of the road What rules You just give way to anything bigger than you David s twelve month visit to Uganda in 2007 brought him closer to the people in its villages and opened his eyes to the need for training for the village church leaders He realised that the leaders could not afford to visit the larger towns and cities so the training needed to go to them Over the next few years David identified a suitable course undertook the necessary training as a presenter and is currently presenting the course to church leaders who are in turn taking the teaching to even the remotest villages The Adventures of a Mzungu is a thought provoking account of David s experiences that will both aid and inspire those thinking about volunteering in charitable organisations whether Christian based or secular *Fanta Orange* Sally Woodcock,2012-06-21 Inspired by a real life Amnesty International report *Fanta Orange* is a colourful and unexpected tale that gets under the skin of modern Africa Regina is a Kenyan house servant Roger is her white farmer boss The two share a curious bond Enter Ronnie a privileged young English girl whom Roger discovers holed up in the bush studying the bizarre practice of dirt eating among local tribes Soon both women are pregnant and a saga unfolds which turns every racial and sexual preconception on its head

Lutheran Mzungu Dot Radius Kasik Ph.D.,2020-08-18 *Lutheran Mzungu* is an exploration of personal cultural awakening when an American Lutheran professor of English volunteered for a six month teaching stint at a Lutheran university in Tanzania and ended up teaching British Law She quickly found herself to be mzungu stranger white person outsider on multiple levels racially white economically first world versus third professionally English professor placed in the Faculty of Law even religiously American Lutherans often comport themselves differently than Tanzanian While often awkward the author s experience was altogether positive Being an outsider puts one in a position of exclusion while simultaneously giving a better vantage point for viewing the differences Working and traveling in a foreign country means adapting oneself to native culture for anything to be accomplished Radius Kasik tells her experience with humor and humility exploring and honoring the differences In her journey relationships became friendships and deepening friendships challenged her to find her way into a place and a people so unlike anything she d ever known and yet so very like everything she d ever known A conundrum for sure but mixing cultures is always a conundrum *Lutheran Mzungu* is not a travel guide but it might serve well for the reader about to embark on a first African experience All a reader needs is an interest in exploring preconceived ideas about cultural differences between Africans and Westerners
